Food Drink & Hospitality Week

5 – 7 April 2027 | Excel London

Vehicles On Stand

Please read the following regulations for having a vehicle on your stand at Food Drink & Hospitality Week 2027.

If you are planning on having a vehicle on your stand, you must let the organisers know.

Arrival and Departure:

- Please make sure you arrive by 1400hrs on the first day on buildup.
- For departure, you will not be able to leave any earlier than 1400hrs on the last day of breakdown. All items must be out of the halls by 1600hrs!

Contact Information:

Please send the below information to the organisers ASAP:

- Name of person who is driving / delivering and picking up the vehicle.
- Contact number for the person driving / delivering and picking up the vehicle.

Vehicle Size:

Your vehicle, including any tow bars or canopies, must fit completely within your stand and must not exceed 4m in height. Please send all dimensions for your vehicle (length x depth x height) to the organisers. You will also need to confirm the weight of the vehicle.

Final Checks:

When you arrive at the venue, please ensure the following requirements are met:

- Ensure your vehicle has a minimal amount of petrol in it.
- Report to the organiser's office immediately so that we can have a Health & Safety officer guide you onto your stand space.
- Bring a set / copy of your vehicle's keys to the organisers office to remain there for the extent of the event in case of emergency. **Please remember to collect your keys post-event from the organiser's office.**
