What is **hangov** ?

HANGOV is UK's first biotech pre-drink supplement made with innovative, science-backed ingredients to support energy, hydration, gut balance and liver health before and after alcohol consumption.

Positioned at the intersection of modern wellness and social lifestyle, HANGOV empowers ambitious professionals and wellness-driven socialisers to enjoy life fully — without compromising performance the next day.

The Perfect Match for Your **Healthy Living** Goals

HERE'S HOW

STEP 1

Prep like a Pro

Take 3 capsules about 30 min before drinking. Give your body the advantage - supporting detox, hydration, and energy balance.

STEP 2

Enjoy your social life with Confidence

Stay social without sacrificing your wellness goals.

STEP 3

Stay in control

Still going strong after 6 hours? Take an extra dose to stay supported and keep the momentum.

STEP 4

Own Your Morning

Wake up clear, focused, and ready for whatever's next — an early meeting, a gym session, or just a better version of you.
