AVOCADO THAT DOES NOT GO BROWN

UP TO 10 DAYS SHELF LIFE

100% NATURAL

www.natavoavocado.com

100% NATURAL AVOCADO

Natavo Avocado is an innovative product that overcomes many of the challenges of fresh avocado and is the only IQF avocado product available that does not go brown when thawed.

We achieve this by using our 100% natural patented process. Our non browning Natavo Avocado products are produced in two BRC certified facilities, located in Mexico and South Africa.

- ✓ **100% all natural avocado**
- ✓ **Absolutely nothing added**
- ✓ **2 years frozen shelf life**
- ✓ **Up to 10 day shelf life once packaging opened**
- ✓ **Retains that wonderful fresh avocado taste and texture**
- ✓ **Proven pathogen kill step**
- ✓ **Always ripe, consistent and ready to use**
- ✓ **BRC certified facilities**

Our customers are loving the Natavo Natural Avocado product. It allows them to be more creative with new product development, creating a point of difference from the competition and growing their market share by now using avocado as a key ingredient, where it may have been impossible previously.

From pre-packaged salads, sandwiches, sushi, wraps, ready meals to smoothies, we have major food manufacturers all over the world successfully using Natavo Avocado in retail situations.
