BASIL SEED DRINK

PET Bottle

A basil seed drink is a refreshing beverage. These seeds, which resemble tiny black dots, have a slightly crunchy texture surrounded by a jelly-like layer, which are suspended in the liquid, giving the beverage a distinctive look. It can be served cold, often with ice, making it a popular choice in hot climates.

TEA WITH COCONUT MILK

Thai tea is known as "Cha Yen" in Thailand. The flavors of Thai tea in a coconut milk drink are inspired by Thai cuisine. It has the flavor of heavily steeped tea. It's served cold over ice and has a creamy taste from the coconut milk. It tastes fantastic. Ideal for flexitarians or vegans.
