About us:

Founded in 1992, **DANA Bakery** is a family business that continues to grow and innovate, driven by passion and commitment of its owners. Its consistently pursues its goals under two strong brands: **DANA and Tarta.pl**.

Production is largely automated, supported by a **modern machine park and strict quality assurance procedures**. By regularly attending prestigious trade fairs, the company tracks industry trends, explores new inspirations and builds valuable relationships with suppliers and clients.

The core product range includes a wide selection of premium bread marketed under the **DANA brand in the Łódź region of Poland**. Under the **Tarta.pl brand**, the company offers high-quality sweet, butter-based tartlets and tarts available in three sizes and weights.

The bakery operates two websites:

www.piekarniadana.pl in Polish and www.tarta.pl in Polish, English and German.
