Back in the early 1900's Enrico Formella journeyed to America from his native Sicily. Like many others, he dreamed of a better life in America. Enrico brought with him the rich traditions and taste of Old World Sicily. Over 100 years and four generations later E. Formella and Sons Inc. still proudly uses the same Old World recipes in all of our fine products. Since 1909, our family pride is sealed in every jar.
