WALLONIA EXPORT & INVESTMENT AGENCY

The Wallonia Export & Investment Agency (AWEX) is the institution in charge of the development and management of Wallonia's domestic and international economic relations.

Through a personalized, innovative, and sustainable approach, AWEX supports Walloon companies - regardless of their size, sector, or target market - in every step of their international endeavors. This includes exports, technological partnerships, and development abroad.

The agency's vast network of connections ensures the best advisors are always by your side. Our local anchors and agents abroad are capable of providing unparalleled insight to take your company to the next level. In addition, our connections will help establish your business in the global marketplace and promote it throughout the world. Training, incentives, and international financing are also available.

AWEX is also committed to strengthening Wallonia's position as the premier gateway for international investors seeking success in the heart of Europe. We work closely with them to inform, convince, and advise in every stage of their development.

Feel free to get in touch with one of our local or international agents via our websites listed below.

In our network of more than 400 employees in nearly 100 countries around the world, there is always someone ready and willing to support you in your approach.

ACTIVITIES AND PRODUCTS

Inspired by the elegance and freshness of nature, Arduenna is a Belgian brand of premium spirits, with and without alcohol, built on craftsmanship and sustainability. Its universe includes Arduenna Organic Gin, 100% organic, Arduenna No Alcohol, a premium alcohol-free spirit, and 694 Organic Bitter, a refined aperitivo. The roundness of mirabelle plum, the freshness of pine and the sweetness of elderflower come together to create an exceptional tasting experience.

NEW PRODUCTS AND INNOVATIONS

694 Aperitivo is joining the Arduenna range and will now be presented under the name Arduenna Aperitivo.

CERTIFICATION

Arduenna is certified organic to ensure a natural and environmentally friendly product for consumers. We are also proud to be B Corp, meeting the highest social, environmental, and governance standards.

ACTIVITIES AND PRODUCTS

Brasserie Bertinchamps is an independent family brewery located in Gembloux, Belgium, set in a fully restored 15th-century farmhouse. Founded in 2013 by the Humblet family, it brews authentic Belgian craft beers using only natural ingredients, with no additives. Combining tradition, innovation and sustainability, Bertinchamps also produces craft spirits and beverages, and distributes its products in Belgium and internationally.

NEW PRODUCTS AND INNOVATIONS

Brasserie Bertinchamps has developed two 0.0% alcohol-free beers that preserve the full taste experience of craft brewing. Brewed with the same natural ingredients and expertise as the classic range, they offer balance, freshness and character without alcohol. One is light and refreshing, while the second is delicately flavored with passion fruit, bringing an exotic, fruity touch and a pleasant aromatic intensity.

ACTIVITIES AND PRODUCTS

Turning Simple Meals into True Moments.

At Colona, great food has always been about bringing people together. Since 1963, our family company has been crafting mayonnaises and cold emulsified sauces in Waremme, Belgium – blending tradition, passion and creativity in every recipe.

Today, our sauces travel the world, but they still carry the same spirit: authentic flavour, consistent quality, and the joy of sharing good food. With practical formats designed for modern kitchens, Colona helps chefs, food professionals and food lovers turn simple meals into memorable moments ... with a generous touch of Belgian flair.

NEW PRODUCTS AND INNOVATIONS

Among our bold and tangy sauces, some have already become true classics : M-Burger, Spicy Sweet Onion, Pitta Kebab, Sweet Tropical Curry... while others are brand new, like our Coco-Mango, Chick'n Sweet Smoke, Chick'n Creamy Herbs, Mayo Sriracha, Mayo Jalapeno, and many more. Creative, vegan, or reduced-fat recipes, all designed to satisfy every craving... and awaken every taste bud!

ACTIVITIES AND PRODUCTS

OSAN SRL is a belgian innovative start-up in the agri-food sector, with an inclusive vision aimed at offering non-alcoholic beverages that bring pleasure to consumers while enhancing the overall tasting experience. The drinks are designed to provide a flavorful and healthy alternative described as botanical gourmet drinks suited to pairing with meals, with no added sugars or additives. OSAN produces its drinks artisanally in its workshops located near Brussels.

NEW PRODUCTS AND INNOVATIONS

Osan SRL has two product ranges. A premium range called OSAN, intended for restaurants, wine merchants, gourmet shops, cheesemongers, and organic food stores.

Osan SRL has recently launched a second product range called SANO SANO, designed for the retail (mass-market) sector. To date, this range includes two products: a strawberry-raspberry-thyme sparkling drink and a ginger and basil sparkling drink.

CERTIFICATION

All OSAN products are certified organic by Certysis.

OSAN also holds a Halal certification for its sparkling drinks category, issued by Halal Quality Control. Halal certifications for the still versions are currently in progress.
