# CHICKEN DIP SAUCES

**BIG FLAVOR FOR EVERY CHICKEN MOMENT!**

From burgers to fillets, wings to drumsticks – chicken brings generations together, from Baby Boomers to Generation Alpha.

Colona celebrates this universal passion with two bold, flavor-packed new sauces. Presented in an 800 ml top-down bottle designed for precise dosing and generous use, they combine modernity, indulgence and a touch of global inspiration.

Perfect as a dip, a topping, or to elevate crispy burgers, flavorful wraps and golden chicken pieces, they turn every meal into a new taste adventure: **One bite at a time.**
