

CEDROB FOODS

**High technology
of meat processing
& packaging**

Our products are consumed by app.
10 mln satisfied customers.

We are seen in all retail channels
mostly under Duda brand.

One of the leaders in the Polish
meat consumer product market.

- The fastest growing company in Poland.
- One of the largest chicken producer in Europe.
- Experience in long distance exports.
- 360° marketing support.

We are to export to over
50 countries with

WHY US?

We are a consumer division of the Cedrob Group's value chain.

50 markets from around the world

- in the EU countries, Africa, Asia and the Middle East.

- 3 000 employees
- 10 processing plants

We are ready to deliver high orders in a very short time
- when our clients want to run promotion in-outs or simply
switch suppliers. Our production is very scalable
and we are ready to increase volumes in a short period of time.

SELF SUFFICIENT:

- own meat supply
- closed production cycle

From seed to table:

- own grain farms
- own hatcheries
- own breeding herds
- own slaughterhouses
- own processing plants

We partner with all retail channels 360°. We help our Clients to design and market new products - both private labels and branded.

Production elasticity (both short time high volumes and low volume possibles).

High speed NPD innovation process Accredited private label supplier for LIDL, JERONIMO MARTINS (Biedronka), ORLEN, KAUFLAND, ALDI.
