

Hello. We are The Coconut Company!

We are focused on supplying wholesome 'free-from' organic, natural or raw coconut products to both consumers and wholesale distributors.

We have a wide range of premium quality coconut products with a product development program in place.

We have a sourcing office based in Asia and have manufacturing relationships established in the Philippines, Indonesia and Sri Lanka.

We are open to joint product development, joint co-packing arrangements and being a customer's "one-stop-shop" for retail shelf ready coconut sourcing.

We can offer private label.

We also offer our coconut products in bulk.
