**WORLD NO. 1
MULTI BEVERAGE FACTORY**

OKF CORPORATION

World No.1 beverage production has been run for 25 years, and it goes on!

OKF has been internationally recognized as excellence in quality. We have been sparing no effort to produce and develop whatever customers want as the internationally recognized corporation for devoting its heart and soul to produce premium healthy beverages.

580 global partners in 180 countries

OKF has focused on penetration of foreign market share in the past 25 years so that OKF products can be widely distributed in the major distribution channels (Costco, WALMART, Tesco, Carrefour, Auchan, Metro, Super Value, Kroger, ALDI, LIDL, Makro, ShopRite, Whole Foods, Trader Joe's, Sam's Club, Walgreen, CVS, 7-Eleven, Drug Store, Groceries, U.S.Army PX) with 580 global partners in 180 countries. And OKF has won international awards such as ITQI, Monde Selection and American Masters.

Creating aloe drink market, taking 76% of the world market share

OKF is a world leader in premium beverage manufacturing, which has produced approximately 1,950 types of drink and has exported to 180 countries in America, Europe, Asia and Africa. Based on the outstanding technology in 1997, OKF Aloe Vera King, which has been evaluated as the beginning and standard of aloe drink, was produced to target the world market. OKF has been leading the aloe drink market as world's No.1 brand, occupying 76% of aloe drink market share and holding a patent in 180 countries.

Confidence in quality, International Certifications

OKF has passed Top class world audit system in compliance with Coca Cola, Delmonte, Dole, Sunkist, Monster, Ocean Spray, Maxwell, Amway, Costco, Walmart and so on. OKF has accomplished to be granted Walmart factory ID in 2015 as the first company in Korea. The principal OKF's certifications are IFS, BRC, FSSC 22000, ISO, Kosher, HACCP, NON GMO, HALAL, VEGAN, NOP EU Organic Certification, GOST, etc., which make OKF supply the products stably to the consumers in the worldwide and manufacture more trustful products.

Through the partnership with international company

OKF is running a high-tech laboratory equipped with professionally skilled researchers armed with experience from the international conglomerates. Since OKF has been prepared to cover global markets with its quality products to contribute to spread excellence of Korean beverages, our efforts won't stop through continuous research, maintaining tech development, and innovation.

OKF Bottling System

New factory has the flexibility to offer all kinds of beverages. Across the 15 production lines, the facility manufactures 1,950 items of various types. Pet bottle, Can, Glass bottle, Aluminum bottle can, Pet can, Retort, Extract, Variety package, Cold fill and Hot fill, etc.

“We can make All kinds of beverages” Annual capacity : 3 Billion bottles

1 OKF is a drink manufacturing company that produces a developed product line, exporting about 1,950 different kinds of beverages (OKF Brand 1150, OEM Brand 800) to more than 180+ different countries worldwide including America, Europe, Asia and Africa.

OKF's 'Aloe Vera King' was launched in 1997 based on its unique technology and is the world's No. 1 preferred brand with a total market share of 76%.

3 OKF has also received world-class certifications such as ITQI, Beverage Innovation and American Masters, 2020 Convenience Store New Product award in the Juice Drinks category in the U.S.A. In addition, it has been awarded the 'Gold Award' 47 times (2009~2024) at the world's most prestigious food awards [Monde Selection], objectively proving that its taste and quality are the best in the world.

OKF Since 1997 **180** COUNTRIES Award

2 OKF products have been focused on overseas market development for about 25 years, garnering a total of 580 global partners (including key players such as Costco, Walmart, Tesco, Carrefour, Auchan, Metro, Super Value, Kroger, ALDI, LIDL, Makro, ShopRite, Whole Foods, Trader Joe's, Sam's Club, Walgreens, Kraft, Mercadona, SPAR, ASDA, Ahold, Loblaws, Amazon, Rakuten, Shopee, etc.) from over 180+ countries. OKF's products are sold at Groceries, US Army PX and about 3,500,000 stores worldwide brand.

occupying **76%** of aloe drink market share

4 The Korean government has awarded OKF with the 'Hidden Champion' and 'World Champion' titles. OKF won the grand prize for Advanced Venture Industry in recognition of Global Star Enterprise Certification and Technology, won the Presidential Citation in 2011 for achieving \$100 Million in exports, won the Presidential Award in the U.S., and won the Industrial Packaging Award in 2015 for pioneering new markets and exporting from the Korean government.

6 OKF is following suit with leading global brands such as Coca Cola, Dole, Del monte, Sunkist, U.S. Army PX, Amway, ITOEN, Monster, Ocean Spray, Maxwell, Costco, Walmart, Kraft, (etc.) and acquiring the audit system of every 6 months to 1 year. All of OKF's export products fully comply with the U.S. Food and Drug Administration (FDA) regulations obtaining major international certifications including IFS, BRC, ISO, FSSC22000, HACCP, HALAL, USDA&EU Organic certification, GOST, Kosher, Non GMO, Vegan, etc.

Korea

Multi Beverage Factory

Audit

Vision

5 OKF's Multi-Beverage Factory is located in Andong, Korea, and is the world's largest multi-beverage production plant with 132,000sqm with 15 Main production lines. Additionally, being the world's largest multi-drink manufacturing plant, this factory has state-of-the-art automatic facilities and nine large logistics centers that can produce more than 8 million bottles (about 320 containers) per day, simultaneously.

7 OKF saw the opportunity to grow into a proud global multi beverage manufacturing company in Korea and contributes to publicizing the excellence of not only Korean products, but Korean beverages as a premium health functional beverage company. OKF is currently Korea's leading beverage company, and is challenging the global No.1 beverage company beyond Asia. OKF will continue to innovate and adapt to ensure it becomes a globally recognized company for its flavorful, top quality beverages.

Why are postbiotics important?

"The Fuel"

The fuels usually from plant fibre used by beneficial microorganisms in the gut.

Prebiotics

"The Factory"

The live microorganisms that use prebiotics to make metabolites.

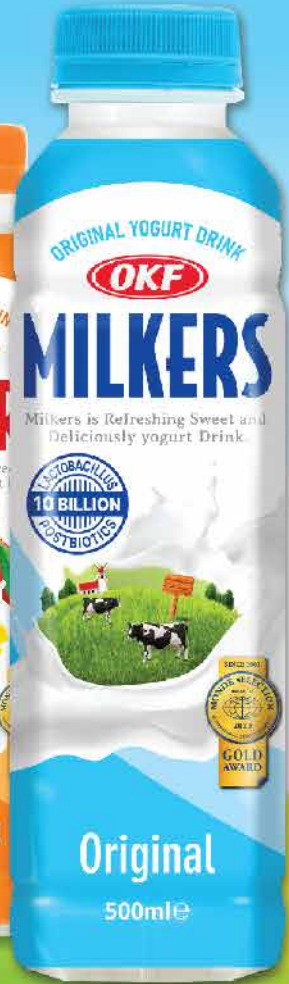

Probiotics

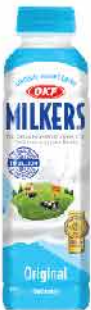

"The Goods"

Beneficial metabolites produced via external fermentation that provide health benefits.
