

Sustainability *and* USA RICE

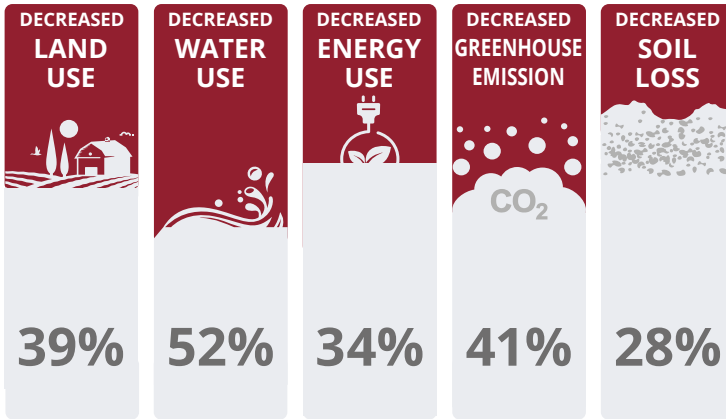

The U.S. rice industry
is proud to supply a
wholesome and safe product
to many customers worldwide,
produced in a responsible
and sustainable way for a
better future for us and the
next generations.
Because we care...

Sustainability *and* USA RICE

PROVEN TRACK RECORD

Our achievements over the last four decades.¹

CARING FOR OUR PLANET

U.S. rice farms give back to wildlife:¹

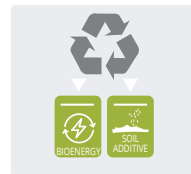

Winter flooded rice fields provide acres of **life-sustaining resources** for the wildlife including millions of waterbirds, reptiles and amphibians.

Estimated cost of **replacing natural habitats**

Compared to other rice producers worldwide, U.S. rice producers:

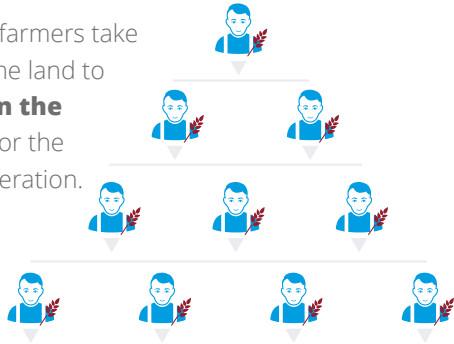

Sustainability *and* USA RICE

FROM OUR FAMILIES TO YOURS

U.S. rice farmers take care of the land to **invest in the future** for the next generation.

Giving back

We **donate** millions of meals to **food banks** across the U.S. and participate in **international feeding programs** all over the world.

NO forced or child labor⁵

QUALITY & DELIVERY

U.S. grown rice has the **highest milling rate** among the top 5 rice exporters⁶

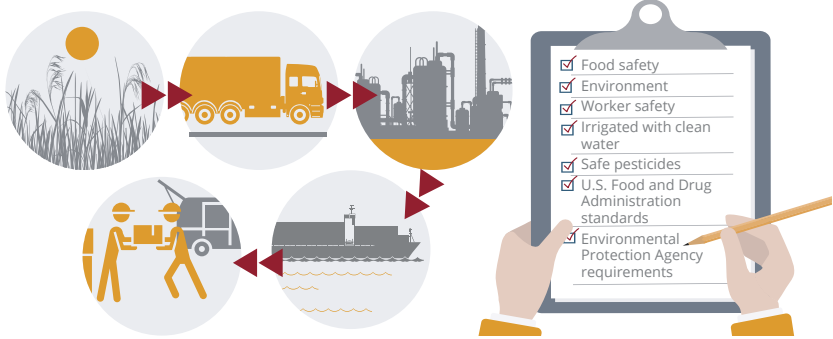

The U.S. is one of the world's most **reliable suppliers**⁶

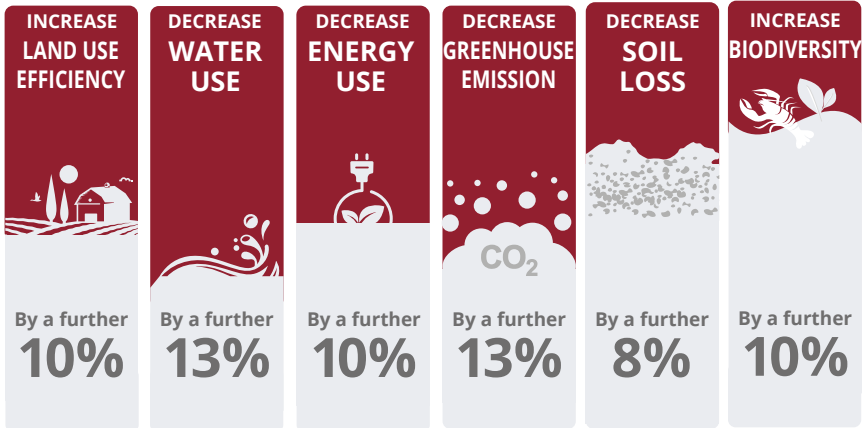

Sustainability *and* USA RICE

Strict regulations through the entire supply chain.

OUR VISION

The U.S. rice industry is committed to **continually improving sustainability**. By **2030** we aim to:
