

THE GLENALLACHIE

SPEYSIDE SINGLE MALT SCOTCH WHISKY

12 YEARS OLD

This acclaimed Speyside single malt is a drinks cabinet staple that showcases our independent approach. Our flagship bottling is founded on our core philosophy: exceptional wood is key to creating superlative whisky.

With satisfyingly complex yet perfectly balanced flavours of sweet spice, dark roasted coffee, stewed apples and cocoa powder, it's a full-bodied whisky that can be enjoyed your way.

We proudly present The GlenAllachie 12-year-old with integrity; at a high strength of 46%, without added colouring or chill filtration, allowing the quality to speak for itself.
