

THE GLENALLACHIE

SPEYSIDE SINGLE MALT SCOTCH WHISKY

10 YEARS OLD CASK STRENGTH BATCH 11

This multi-award-winning Speyside sipper is bottled at its natural cask strength for maximum flavour delivery. Our Master Distiller Billy Walker carefully finesses every small batch, striving to better the last.

The whisky was elevated through maturation in Pedro Ximénez, Oloroso, red wine and virgin oak casks. With a deep chestnut hue, a lively nose and a punchy palate, expect a dram that captivates the senses.

We proudly present The GlenAllachie 10-year-old Batch 11 with integrity; at its cask strength of 59.4%, natural colour and unchill filtered, allowing for optimum drinking experience.
