

Our sliced charcuterie

# “GLI AFFETTATI NATURE”

## A guarantee of quality in an innovative packaging

The new Veroni tray combines the completely transparent barrier film top with a thermoformed and recyclable paper bottom. The result of this combination is an absolutely innovative packaging that retains the preservation features of the traditional tray while protecting the environment.

Produced with certified paper.

**MADE WITH - 75% PLASTIC\***

Both the paper bottom and the transparent plastic top can be recycled.

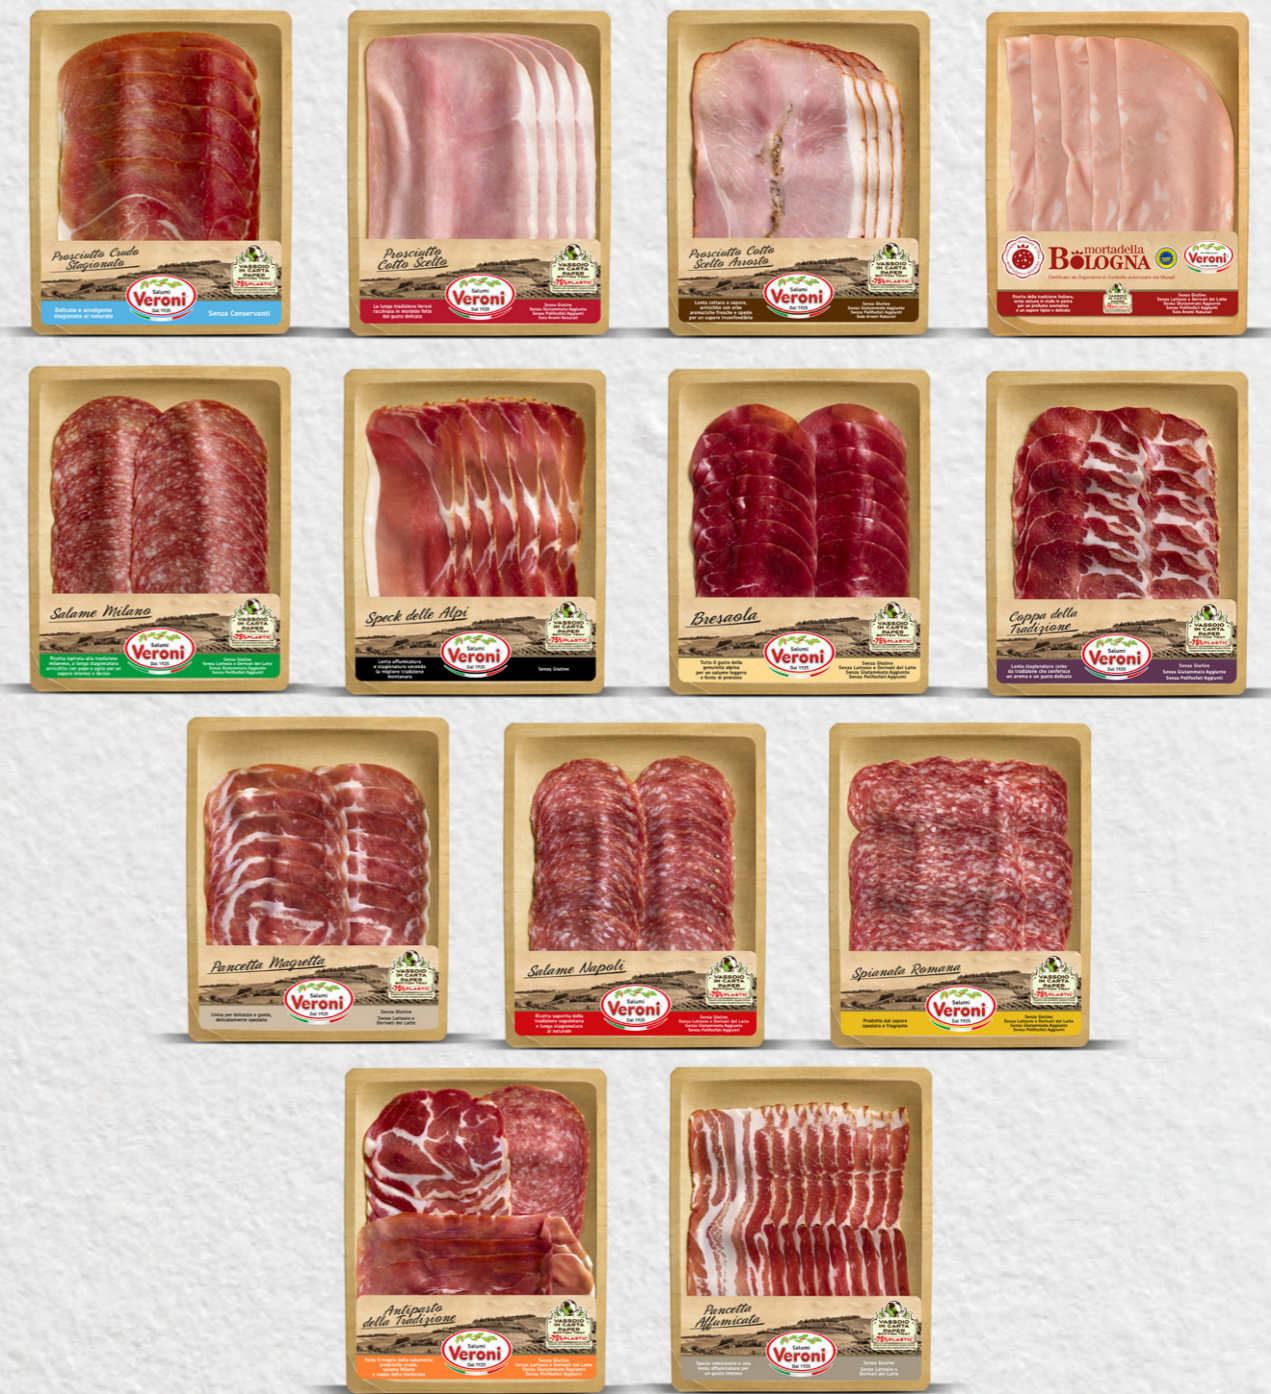

Greater product visibility.

Simple yet captivating graphics. The colour element allows to easily distinguish the references and the “green” stamp allows you to easily identify the eco-sustainability of the package.

Vertical positioning for greater optimisation of shelf space.

Thanks to the QR code link, consumers can obtain more information about the bottom tray, as well as many ideas and suggestions to better enjoy cold cuts.
