QUALITY PRODUCTS FOR A QUALITY WORLD

Bringing freshness from the field to your business

BRCS

ABOUT US

Pan United is a leading supplier in the UK and Europe, specializing in the import and distribution of premium fresh produce such as garlic, ginger, sweet potatoes, and butternut squash.

Our Apollo brand, a symbol of trust and excellence, ensures consistent quality and availability, even during shortages. Rigorous quality controls and certifications ensure Apollo's products meet the highest standards, providing customers with peace of mind.

Pan United is committed to sustainability and exceptional service, offering tailored solutions and reliable, consistent delivery.

WHAT DO WE HAVE?

GARLIC RANGE

A culinary staple for centuries, garlic enhances dishes with its unique flavor and aroma. Its growing demand reflects a renewed passion for home cooking. Available in various forms: braids, pre-packs, solo, loose, and peeled. Our premium garlic ensures reliable supply and efficient distribution across the UK and Europe.

EXOTIC FRUITS RANGE

Discover the tangy tamarind, crisp Asian pear, and sweet Fuji apple in our range of exotic fruits. Sourced from trusted growers, we guarantee freshness and exceptional taste. Perfect for enhancing your offerings, we provide reliable, year-round supply to meet your business needs.

GINGER RANGE

Renowned for their bold flavors and health benefits, ginger and turmeric are essential in both sweet and savory dishes worldwide. Rich in anti-inflammatory compounds, they're ideal for teas, cooking, and wellness-focused recipes. With efficient distribution across Europe, we ensure a reliable supply of premium-quality ginger and turmeric year-round.

SWEET POTATOES

Sweet potatoes and butternut squash are essentials in global cuisine, prized for their rich flavor, low glycemic index, and high nutritional value. We offer premium sweet potatoes year-round, sourced from trusted regions like the Netherlands, USA, Spain, and Egypt, ensuring reliable distribution, consistent quality, and excellent value throughout Europe.
