Vanilla Bean

Our flagship flavour and the benchmark for the exceptional quality of our range. The ultimate accolade for this flavour was the comments of the judging panel of the Great Taste Awards 2011 "this is as near perfect as it gets."

Available in: 120ml, 500ml and 5 Litre

Yellowman Honeycomb

Our second most popular flavour in the range. The original Yellowman from "The Auld Lammas Fair" in Ballycastle is included in this unique flavour that distinguishes it from any other honeycomb ice-cream.

Available in: 120ml, 500ml and 5 Litre

Irish Whiskey

The most exciting addition to our flavours of Ireland. Using one of the world's most famous whiskey brands Dunville's Irish Whiskey, founded in 1808. The award winning Dunville's Whiskey, winner of the World Whiskies Awards 2023, and our award winning mix of pure dairy ice cream, creates a creamy sensation, with a distinct after-hint of Irish Whiskey.

Available in: 5 Litre

Strawberry Blonde

If you're lucky enough to have your own strawberry patch, you'll know just how delicious home-grown strawberries really taste. We take strawberry fruit and make it into a real natural delicacy, no artificial colourants, no additives, just real strawberry ice-cream fresh from the garden.

Available in: 120ml, 500ml and 5 Litre

Raspberry & Lavender

We were challenged by the National Trust to create an ice-cream themed on the wonderful gardens of Mountstewart Gardens in County Down. The Food Technology Centre perfected the flavour mix which we now release due to numerous requests from all over the country.

Available in: 120ml and 5 Litre

THE NATIONAL TRUST

Cafe Mocha

S.D. BELLS original and best coffee combined with a drizzle of Callebaut dark chocolate. Just for real coffee enthusiasts with espresso coffee poured over the ice-cream for that Affogato experience from Italy.

Available in: 5 Litre

Berry Berry Blueberry

One of our in house favourites, we have real blueberries with their health promoting properties included in an ice-cream that has again been included on some of the most exclusive banquet menus.

Available in: 5 Litre

Chocolate Heaven

The children's favourite everywhere. This flavour is a blend of our creamy base mix, 70% callebaut single origin cocoa and a dash of vanilla to add an exotic touch to the flavour. It is indeed "the angel's favourite" and a truly divine treat.

Available in: 120ml, 500ml and 5 Litre

Cherry Blossom

A rich dairy ice cream with the addition of real cherries for a fresh and natural flavour. One of our newly developed favourites, made using real sweetheart cherries with their health promoting properties, our Cherry Blossom Ice Cream really is the cherry on top!

Available in: 5 Litre

Chocolate & Salted Caramel

Keeping up with the current trends, our divine Chocolate Heaven Ice Cream (made with 70% single origin cocoa) in combination with Salted Caramel sauce is the flavour experience of the year!

Available in: 500ml and 5 Litre

Hint of Mint

We went to the orchards of County Armagh to harvest their Bramley Apples, then we add mint to the mix and drizzle Callebaut chocolate to make a memorable combination for a dessert.

Available in: 5 Litre

White Chocolate & Wild Blackberry

Many chefs have asked us for a white chocolate ice-cream but we felt to make this a truly different experience we added the natural fruits of a country lane with wild blackberries.

Available in: 500ml and 5 Litre

Coconut

Once again a flavour that has been requested by many chefs for specific menu dishes. This one has the taste and appearance of the traditional "Bounty" bar.

Available in: 5 Litre

Strawberry Stracciatella

We have taken our award winning strawberry flavour and added a drizzle of the finest chocolate to give it an Italian theme.

Available in: 5 Litre

Lemon Meringue

This is a deconstructed version of that retro dessert Lemon Meringue Pie. The only thing we left out was the pastry. Why not put it in bought pastry cases for dinner parties? We won't tell.

Available in: 5 Litre

Black Currant

Made with real Wexford Blackcurrants. We love the simplicity of the whizzed up fruit with just the right amount of sugar. That's how we roll. We use pure dairy base mix, real fruit, and expertise to make it the best on the market.

Available in: 5 Litre

Callebaut Chocolate & Mallows

This ice-cream is for junior connoisseurs of the very best chocolate ice-cream with some mini-mallows for an extra experience, once again Callebaut 70% pure chocolate in our pure dairy base mix.

Available in: 5 Litre

Toffee Apple

We were challenged by WWT Castle Espie to create an ice cream using the apples from their orchard so we crafted our delicious Toffee Apple which consists of a Vanilla Ice Cream, drizzled with homemade apple puree and toffee sauce and sprinkled with our very own crumble.

Available in: 120ml, 500ml and 5 Litre
