

Crazy about chillies, committed to farmers

Great chillies start with great farmers - nurtured by Kacholo with the support, tools, and expertise they need to thrive.

We provide:

Pre-financed crops with quality inputs.

Hands-on training for better yields.

Guaranteed buyback for a stable income.

Fair prices at above market rates.

This means a consistent supply of premium, sustainably grown chillies, season after season.

Crazy about chillies,
committed to farmers.
