

## YOUR FOOD SOURCING EXPERTS

A passionate and dedicated team with a focus on providing solutions to benefit our customers, saving them time, effort and cost.

We operate internationally with access to some of the worlds best ingredients from approved factories, with some of the best standards. We assist our customers from across the UK, Ireland and Europe, to access the products that they need to the quality that they require.

With 40+ years of experience in the industry, we consistently prove our expertise to our partners.

## Our Product Range

### Chicken

A range of cooked and raw chicken products. Available sliced, diced or whole fillet.

### Bacon

The Grumpy Pigs range of premium quality cooked bacon.

### Pizza Toppings

Championi Toppings - our premium yet cost effective range of quality, British produced pizza toppings, designed to spice up the market.

### Chicken Wings

J's high quality, sous-vide wings, available in multiple flavours.

### Pasta, Rice, Noodles and Grains

A variety of cooked IQF pasta, rice, noodles and grains.

### Hot Dogs

J's UK produced hot dogs and bratwurst sausages. Versatile and authentic.

**Experience. Quality. Consistent.**

# CHICKEN

Versatile, consistent and time saving frozen poultry options.

## VARIETIES

- Steam Cooked
- Pasteurised
- Breaded and Coated
- Raw

Products can be sliced, diced, strips, pulled or whole fillet.

Full whole muscle breast and reformed chicken breast is offered, to suit all needs.

## SOURCE

All products are sourced from our BRC approved manufacturing partners, across Asia, Brazil, China, Europe and UK.

## ADVANTAGES

### 1. Individually Quick Frozen (IQF)

IQF products allowing you to only use the products you require, so saving you time, effort and waste.

### 2. Packaging

Products can come in 4 x 2.5kg bags as well as 10kg bags. We can also offer 1kg retail style packaging if required.

### 3. Pricing

The poultry market is volatile and highly competitive so we ensure to adapt our pricing accordingly, allowing you to always get the best deal.

## USES

### PERFECT FOR

- Sandwiches
- Salads
- Ready Meals
- Soups
- Pies/Pasties
- Convenience Meals

The much loved, Grumpy Pigs branded product.

## VARIETIES

- Beechwood Smoked Cooked Streaky Bacon
- Roast Cooked Back Bacon
- Bacon Lardons
- Cooked Bacon Bits and Flakes
- Specialist Cured Streaky Bacon
- Pigs in Blankets

Products come in a variety of cook levels and can be chilled or frozen. We offer 1kg as standard, as well as 2kg, 900g and 500g trays if required.

## SOURCE

All products are sourced from our BRC approved manufacturing partner in Poland.

## ADVANTAGES

### 1. Flexible

Our NPD team are happy to work with you to develop your perfect product, so if you are looking for a unique cook level or specific cure, don't hesitate to ask.

### 2. Shelf Life

Our products come with an impressive shelf life...some being 5 months chilled!

### 3. Pallet Orders

Our minimum order quantity for bacon products is a full pallet, which consists of 48 cases, 432 x 1 kg trays of cooked bacon.

## USES

### PERFECT FOR

- Sandwiches
- Salads
- Burgers
- Ready Meals
- Pizza
- Jacket Potato

# CHICKEN WINGS

Easy to cook, Easy to eat.  
Flavours to suit all palates!

## PRODUCTS

- J's BBQ Wings
- J's Salt and Chilli Wings
- J's Easy Wings
- J's Buffalo Wings (Hot Wings)

All wings are made using only the highest quality of chicken. Products are vacuum packed and come frozen or chilled.

## SOURCE

All products are produced and manufactured at our partner factory in UK.

## ADVANTAGES

### 1. Award Achieving Products

In 2023, our Slow Cooked Salt and Chilli Chicken Wings were highly commended at the Meat Management Industry Awards.

### 2. Simple to Cook

As our wings are pre-cooked they just need to be reheated.

### 3. Flavour All Round

Due to our sous-vide cooking method, each wing is full of flavour, leaving a consistently succulent taste. Using this method allows wings to avoid becoming dry and easily over cooked.

## USES

### PERFECT FOR

- Buffets
- Starters
- Snacking
- Barbeques

Bringing you a true authentic taste.

## PRODUCTS

- 90gm Bratwurst
- 140gm Bratwurst
- 90gm Frankfurter
- 140gm Frankfurter

Products are cooked, vacuum packed and can come frozen or chilled. Traditionally, products are best grilled or fried.

## SOURCE

All products are produced and manufactured at our partner factory in UK.

## ADVANTAGES

### 1. Versatile and Easy to Use

All our dogs need is to be defrosted and then grilled or fried...that easy and you are ready to go. You can even use the air fryer too! Our products are easy to use, so you can enjoy whenever you please.

### 2. Sizings

Available in all different sizes to suit the customer's use.

### 3. Authentic Taste

Our hotdogs have a truly authentic flavour.

## RECIPE INSPO
