ABOUT COMPANY

Trading Manufacturing Company "Roma", LLC is specializes in the production of flour, bakery and confectionery products. Our enterprise has been operating on the Ukrainian market since 1992 and today is one of the few enterprises that have preserved the traditional recipe for the production of high-quality bakery and confectionery products.

TMC "Roma" LLC is a bakery that works according to the principle of full-cycle technology from grain processing and flour production to the production of delicious bread, bakery and confectionery products in modern and practical packaging.

In the workshops of the bakery, where modern German-made baking ovens, Italian-made confectionery lines, a line for the production of thin pita bread and bakery and confectionery products.

At the moment, the products of TMC "Roma" LLC are sold in all Ukraine. Our bakery products are supplied to a number of the largest market places in our country, as well as to Poland, German, Hungary, Moldova, and other countries.

Our production is certified ISO 22000: 2018 (HACCP), a food safety management system that applies to the production and sale of bakery products, confectionery products, and frozen products.
