

HLIBO[®]

Burger buns

About Us

"OREX DISTRIBUTION" is a modern company specializing in the production of buns for hot dogs and burgers on an industrial scale.

Year 2017

The company was founded in 2017 by a team of experienced entrepreneurs and enthusiasts. Until 2021, it was engaged in foreign economic activities.

Year 2021

Was made a decision to build a new factory to produce buns for burgers and hot dogs in a total products capacity of 500 tons per month.

2023 - the first batches of burger buns were sent to the commercial and distribution networks of Ukraine and EU.

We Have Built

Modern factory

 Pervomaysky City
