# Ichnya Condensed Milk Company

## History

PJSC "Ichnya Condensed Milk Company" was founded in 1958. The company had been subjected to full overhaul since 1995 to 2007. Nowadays, PJSC "Ichnya Condensed Milk Company" is European-level milk processing plant in Ukraine, which is an undisputed leader at the Ukrainian market of condensed milk. PJSC "Ichnya Condensed Milk Company" is a modern manufacture complex, designed and built on the basis of ultramodern technologies, corresponding to the strictest requirements of the world's environmental standards.

## Manufacturing

Quality recognized by the consumers both in Ukraine and abroad is ensured through quality control at all manufacturing stages:

- Permanent control of technology, recipes and quality of ready-made products is provided at the factory;
- The company has its own testing laboratory;
- Regular tests of samples are made at the laboratories of the State Committee of Ukraine for Technical Regulation and Consumer Policy.

PJSC "Ichnya Condensed Milk" operates under internationally recognized quality managements systems ISO, HAACP. Following the successful audit and training of managers, the company received a certificate confirming the standards FSSC22000.

## Product

Our products well known all around the world. We participate in international exhibitions like: Anuga, Gulfood, Sial, China Import & Export, China FHC.
Our products have registration in European Union, USA, China and a lot of other countries.
PJSC "Ichnya Condensed Milk Company" was awarded with gold medal for the product quality at the biggest exhibition in Central Asia Worlfood.
PJSC "Ichnya Condensed Milk Company" competed with the widely-known canned condensed milk manufactures of CIS and Central Asia.

## Export
