Chairman's Message...

"Our aim is to be Number 1 in Quality"

We never compromise quality for price competition.

- Satyanarayan Agrawal

From Director's Desk...

Becoming the World's Best Peanut Brand

My dream has always been to become 'WORLD'S BEST PEANUT BRAND'.

When I Measure my dreams on the reality scale, I feel that the journey to achieve the dream has begun but the distance to reach there is far. It doesn't mean that it is impossible. Maybe not in our generation, but it will be achieved by the generations to come.

- Rahul Agrawal

World's best quality peanuts (naturally sweet in taste) are grown in the sandy soils of Gujarat.

Jabsons being located in the heart of Bharuch city of Gujarat, we provide the highest quality peanuts while restoring the natural sweetness by using the age old technique of "Hand Roasting in Clay", for which Bharuch city is known world wide.
