

The background image is a photograph of a stylish hotel lobby. It features a large, arched window with a black frame that looks out onto a courtyard with plants. The interior has a warm, terracotta-colored wall and a blue accent wall. There are several modern, curved armchairs in shades of blue and yellow. A low, round wooden coffee table sits on a large, patterned rug. The floor is covered in a colorful, geometric tile pattern. The overall atmosphere is bright and inviting.

THE GUEST EXPERIENCE

We are dedicated to delivering an incredible guest experience for our attendees at Independent Hotel Show Miami – similar to what our hotelier audience strive to achieve in their properties each day. We do this for the benefit of hoteliers, exhibitors, and partners alike. Aside from our high-quality exhibition, this manifests across five communal spaces which include:

INNOVATION STAGE

The education hub covering the latest hotel trends and cutting-edge innovation with the goal of developing ground-breaking ideas and engaging conversations relevant to the boutique, independent, and luxury hotel sectors.

BUSINESS CENTER

Developed to be another social hub of the show, The Corner Bar is the perfect place to grab a coffee or cocktail, network, or simply stop to sip and relax from a busy show day.

THE MEET UP SPOT

New for 2026, this area is being developed as a functional work area to meet up with colleagues, charge devices, and have meetings.
