

# INDEPENDENT HOTEL SHOW SHELL SPECIFICATION

## The system includes:

- Walls
- Carpet
- Cladded Fascia with Nameboard

Please note, **no electrics or furniture is included** in the Shell Scheme package so must be ordered additionally, please find the contact details and order forms in the Exhibitor Zone.

## WALLS

All Shell Scheme stands are constructed from a 2.4m high modular system called "FiTZiN". The walls consist of black infill panels that are 5mm thick Foamex finished in **black polyweave material** that is Velcro compatible. These panels are supported by aluminium poles which are 65mm wide and therefore sit proud of the panel by 20mm. Stands over 4m in width will require a ceiling beam or overhead support.

**Graphic panel dimensions: 2270mm (height) x 945mm (width) with exception of the end panel, located next to the aisle, which is 930mm wide due to the cladded poles (see diagram on pg. 3)**

**It is essential that these dimensions are taken into consideration if building an interior to the Shell Scheme.** Please contact Index for more exact calculations relating to a specific stand.

The panels are non-loadbearing, but lightweight display material may be attached to them using Velcro, or by other means that do not damage the panels in any way. **If damage occurs Index may charge the stand holder the full panel price** (see Shell Scheme Extras Order Form for price list). If you require the walls to be reinforced with cladding, please contact Index.

## FLOORCOVERING

All Shell Scheme stands are provided with pearl grey carpet. Please let the organisers know if you do not require this. If you would like to change the colour of your carpet at an additional cost, please email [carpet@indexgroup.org](mailto:carpet@indexgroup.org).

## FASCIA/ NAMEBOARD

Stands have a 'forest green' colour cladded fascia fixed to each open side, supported by cladded poles. Each open side will display your company name in Title Case text, stand number and our IH logo, please note there is a 30-character limit per nameboard.

The fascia will display the name as it appears on your contract; please let the [Organisers](#) know if you require a nameboard change by **Friday 13th September**. Any changes requested after this deadline or onsite will incur a cost of £100 + vat.

## ELECTRICS/ TEMPORARY POWER

No electrics are supplied with Shell Scheme stands. To order lighting and electrics, place your orders online via the Webshop in the E-Zone. Independent Hotel Show does not operate 24-hour power. If you require 24-hour power or a temporary power supply during the build-up period, you should order this **direct with Index**.
