COOKIES POLICY

This Cookies Policy relates to the use of cookies by Montgomery Events Limited, whose registered office is at 9 Manchester Square, London, W1U 3PL ("we/us/our"), on the website <https://www.independenthotelshow.co.uk/> ("Website").

We operate a number of websites, each of which may use different cookies depending on the functionality and services offered at that particular site. As a result, the cookies policy applicable to each website may differ to reflect the specific cookies deployed and the purposes for which they are used. This Cookies Policy applies to this Website and sets out the cookies used on this Website, the purposes for which they are used, and the options available to you for managing your cookie preferences. If you visit other websites operated by us, please refer to the Cookies Policy published on that website for information specific to that website.

When you visit our Website, we may store information (or cookies) on your computer to obtain information about your general use of our Website. We do this by using a cookie file stored on your computer to track information about your use of our Website. Cookies may help you get the best out of the Website, help us improve it, and enable us to deliver a better and more personalised service.

We also use cookies so that you do not have to re-enter your details each time you visit the Website, to track how the Website is used, and to improve and update its contents. They also enable us:

1. To estimate our audience size and usage patterns.
2. To store information about your preferences and allow us to customise our Website according to your individual interests.
3. To speed up your searches.
4. To recognise you when you return to our Website.
5. To measure advertising performance.
6. To create audience segments.
7. To optimise campaigns.

You may refuse to accept cookies by activating the setting on your browser that allows you to refuse cookies. You can also manage cookies through the cookie pop-up. However, if you disable or refuse some cookies, you may be unable to access certain parts of the Website and some features may not function properly. Unless you have adjusted your browser settings to refuse cookies, our system will issue cookies when you visit the Website.
