

ECO-BOOTH

SHELL SCHEME SPECIFICATION

INDEPENDENT
HOTEL SHOW

A M S T E R D A M

11-12 Mar 2025
RAI Amsterdam

The system includes:

- Walls
- Carpet
- Fascia with Nameboard
- Electrical Package (see below)

*Please note, furniture is **not** included in the stand package. You can order via the [RAI Webshop](#) or alternatively source/ supply your own.*

WALLS

All Eco-Booth shell scheme stands are constructed from 2.5m high back and dividing panels. The walls consist of natural plywood boards (100% PEFC Certified), each panel is supported by black MDF poles (80% FSC Certified) which sit proud of the panel by 9mm.

Graphic panel dimensions: 2460mm (height) x 945mm (width) with exception of the end panel, located next to the aisle, which is 830mm wide due to the larger fascia poles (see visual on pg. 2)

Acceptable Fixing Methods:

- Fixing of exhibits and/or graphics to the panel (*see visual 3 – A*) is permitted using double-sided sticky tape or Velcro (only suitable for very lightweight material).
- If you wish to attach anything up to 5kg (e.g. light fixture, small mirror or picture frames), you can screw or nail into the adjoining posts (*see visual 3 – B*). **You cannot make holes, screw or paint panels. If you have any questions regarding this please contact [RAI Exhibitor Services](#).**
- For further advice and guidelines, or if you have **anything heavier than 5kg per panel** to hang or wish to wallpaper, please contact [RAI Exhibitor Services](#) to order a reinforced panel (*see visual 3 – C*).

NB: If any damage occurs to panels the RAI will charge the exhibitor the full panel price.

FLOORCOVERING

All shell scheme stands are provided with grey carpet. Please let the [organisers](#) know if you do not require this. If you would like to change the colour of your carpet at an additional cost, please contact [RAI Exhibitor Services](#).

FASCIA/ NAMEBOARD

Each stand is provided with a forest green coloured nameboard with your company name in Title Case text and your stand number, fitted to each open side. The nameboard will display the name as it is written on your contract, please let the [organisers](#) know if you require a nameboard change by **Thursday 13 February**. Any changes requested after this deadline or onsite will incur a cost.

Please note there is a limit of 30 characters excluding spaces. If your company name exceeds this, please contact [RAI Exhibitor Services](#) to arrange to have a longer nameboard printed at an additional cost.

ELECTRICS

The following electrics are included in the Eco-Booth Shell Scheme package:

- 2 x LED Spotlights
- 1 x 3kW daytime power incl. double wall socket

To order additional lighting and electrics, please order via the [RAI Webshop](#).

Temporary or 24-Hour Power

If you require a temporary power supply during the build-up period, or 24-hour power supply overnight throughout, you should order this direct with [RAI Exhibitor Services](#) or via the [RAI Webshop](#).

ECO-BOOTH SPECIFICATION VISUAL

This visual is a representation of a generic stand size with 2 open sides. Your stand may differ. **Please refer to your contract for the size of your stand and number of open sides**

CORNER SITE STANDS

All corner sites will be open to the gangways with fascia to the perimeters overhead. Should you require additional walls please order these via [RAI Exhibitor Services](#).

OPTIONAL EXTRAS

You can order individual panel graphics (**visual 1**) or a full graphic banner across several panels (**visual 2**). Alternatively, in order to mount heavy exhibits or wallpaper, you will need to order a reinforced MDF panel (**visual 3**). For a full list of extras with prices or to order, please contact [RAI Exhibitor Services](#).
