Welcome to the Independent Hotel Show 2023

IH.

Welcome to the Independent Hotel Show, the most comprehensive, dedicated event for the luxury, boutique and independent hotel sector.

Founded in 2012, the UK Independent Hotel Show has had a successful 10 year track record of bringing thousands of the very best hotel owners, general managers and high level operators together to share ideas, do business and network. And in 2019 we launched our inaugural Independent Hotel Show Amsterdam to resounding success.

In line with our mission to broaden the reach of our support globally, we

are delighted to be hosting the first U.S. Independent Hotel Show at the Miami Beach Convention Center in the fall of 2023, serving the North American, Caribbean, and Central American audience of forward thinking, independently spirited hoteliers.

Companies from across the supply chain are invited to benefit from the opportunity to sell directly to an engaged audience in search of the highest quality products and services.

We look forward to welcoming you to a brand new event experience.

WHY NOW? WHY MIAMI?

In 2022 for the U.S. market, continued growth in both occupancy and ADR is expected, with a year-over-year rebound in RevPAR of 14.4%, approximately 93% of pre-pandemic levels. ADR in Q3 and Q4 2022 is expected to surpass comparable 2019 levels.¹

The luxury hotel market was valued at USD 174.9 billion in 2020, and it is projected to register a CAGR of more than 4% during the forecast period (2021-2026). North America is the largest and fastest growing region in this market.²

With more than 24.2m visitors spending an average \$18 billion a year pre-covid, Miami has become a go-to destination for business expansion, growth, and investment across numerous industries. According to market research agency STR, Greater Miami ranked among the top 10 in the three key metrics used to measure hotel success – occupancy, average daily rate and revenue per available room – and with more than 55 hotels due to open by 2025 the market is buoyant.

This, coupled with close travel connections for hoteliers from the Caribbean and Latin America, Miami is the ideal location to launch the first U.S. edition of the Independent Hotel Show.

The Greater Miami Area alone is home to 520 hotels, consisting of approximately 62,000 hotel rooms.³

Miami is easily accessible – 400+ flights daily through Miami International Airport – the first airport in Florida and second in the U.S. to receive health accreditation from ACI World.⁴

Miami International Airport is the largest gateway between the United States and south to Latin America and the Caribbean.
