

A VERY WARM WELCOME TO OUR 25TH ANNIVERSARY EDITION!

Welcome to the 25th anniversary edition of Speciality & Fine Food Fair! Since 1999 the fine food industry has flourished, from quality British cuisine to diverse international products.

To celebrate, we've made some exciting changes to the Fair. The drinks section now features the Drinks Uncovered stage and The Wine Cellar. The new Tasting Station gives you the opportunity to taste test some of the products our producers have to offer.

Popular features return, including the Start-Up Village and the Talking Trends stage, highlighting key trends in speciality food and drink.

Lastly, I would like to say a huge thank you for your continued support over the past quarter century. The passion in the industry is infectious and it has been a joy to bring the community together each year. Cheers to the next 25 years!

Have a truly wonderful time at the Fair, and don't forget to share your experience using #SFFF24 and #25YEARSOFFSFF

WE'RE DELIGHTED TO BE CELEBRATING THIS YEAR'S CROP OF GREAT TASTE 1-, 2- AND 3-STAR PRODUCTS AS SPECIALITY & FINE FOOD FAIR MARKS ITS 25TH YEAR.

Whether this is your first visit to the Fair or your 25th, there's always an amazing array of producers demonstrating their talent through delicious and well-made food and drink.

Events like these remind us why we all work in food & drink. We love to celebrate products that are made with trusted raw ingredients, use simple production methods and are bursting with personality.

Don't forget to visit the team at the Guild on Stand 2148 to explore the amazing products featured in the Great Taste Deli.

B Corp Guide

For the second year running, we are excited to bring you the Speciality & Fine Food Fair B Corp Guide! Within this guide you can find out more about what it means to be a B Corp, how to become certified yourself, how it helps businesses, and much more!

You will find all those with B Corp certification highlighted here in the Fair show map and throughout the halls with the B Corp logo. This will make it easier for you to identify those socially and environmentally responsible producers who have gained the sought after accreditation - so keep an eye out!
