Plan your sales strategy

Think about your reasons for attending the event this year and plan your strategy around that. By thinking about this in advance you and your staff will be able to maximise your time whilst you are there.

- What are the key messages you're aiming to push?
- What are the key products you want to promote?
- How will you grab buyers attention?
 - TIP: Mock-construct your stand before coming to the event to see how it looks, what looks good and what doesn't.
- What kinds of buyers do you want to talk to?
- What kind of businesses would be a good fit for your products?
- What's your elevator pitch?
- What's new, exciting and different about your brand?
- Be clear of the objectives you wish to achieve and write them down to ensure you are able to focus on them.
