GRALGO FROM CEYLON

Exports premium organic and conventional Ceylon spices, Ceylon Teas, and Ceylon Vanilla straight from the beautiful Island of Sri Lanka and takes pride in introducing our innovative biodegradable paper canisters and tins, a game-changer for the global market. Unlike polythene, glass and plastic, our paper canisters take only a few weeks to decompose, helping towards a sustainable environment.

By choosing Gralgo From Ceylon, you are not only enjoying the finest flavors but also actively helping sustain our beautiful planet, one biodegradable canister at a time!
