# YOUR PARTNER FOR GROWTH IN EXTERNAL SHADING

Since 1987, Caribbean Blinds has been supplying the trade with [luxury UK manufactured external shading systems](#), including contemporary patio awnings, innovative external blinds and all-weather louvered pergolas that transform the use, functionality and enjoyment of all types of spaces.

We pride ourselves on offering superior quality products, exceptional service and outstanding value for money, ultimately providing you and your clients with the [best value proposition](#).

Above and beyond this, [we provide you with all the marketing, sales and operational tools you need to maximise and capitalise on the potential in the area that you cover](#). From social media lead generation campaigns to assets for advert creation, inspiring in-store displays (awning stand pictured) and sample kits, free product training and even a survey and installation service, we ensure you have everything you need to be successful in the sector.

**ANTIGUAN BLIND**

Windproof external roller blind (screen)

**CAYMAN BLIND**

Tensioned external roof blind (conservatory awning)
