ABOUT US

Clever Bean's founder, Simon Jarman, has spent the majority of his career working in the window industry and has been CFO and CEO at some of the largest and most recognised names in the sector. He has experience with companies ranging from pre-revenue to £200m, has worked internationally, fundraised, completed a successful MBI and overseen several successful company exits.

WHY WORK WITH US?

MORE THAN JUST ACCOUNTANTS

With over 25 years of real-world, hands-on business experience, we offer much more than just everyday accounting services. We understand the challenges and complexities of running a business having started, built and exited companies ourselves. As such, we bring a rare blend of financial acumen, commercial experience and strategic focus that makes us uniquely placed to assist with the growth and success of your business.

WHO WE WORK WITH

We work with individuals, sole traders and limited companies. We have a wealth of experience in the construction industry supporting installers, fabricators, architects, home improvement companies, building contractors, sub-contractors, tradespeople, product manufacturers, house builders, groundworkers and more...

OUR SERVICES
