CHAFING FUEL

Our DEG Wick Chafing fuel has a burn time of up to 6 hours.

Easily identify how much fuel is left in the fuel cell with the unique, clear casing and the graded marks down the side of the container.

- Sold in box quantities of 24
- 6 Hour burn time
- Clean & odourless flame

£26.00

*Multi box discounts available

LIQUID WAX FUEL

Available in 12 hour, 20 hour or 40 hour burn times, our own brand liquid wax fuel cells have a clean, odourless burn.

The flames burn brightly, with a beautiful orange glow, bringing a real touch of elegance to your restaurant setting.

- 20 & 40 hour sold in box quantities of 24
- 12 hour sold in box quantities of 48
- 12 Hour Liquid Wax - **£24.72**
- 20 Hour Liquid Wax - **£22.45**
- 40 Hour Liquid Wax - **£32.90**

*Multi box discounts available

TABLE LAMPS

We stock a wide range of table lamps in an array of beautiful styles and colours, from our own brand and also from luxury German manufacturer, NikLights.

Choose a suitable lamp for your setting and we can also supply the relevant liquid wax fuel cells to accompany them. Get a beautiful, natural flame without the smoke and soot from a traditional candle.
