

About Us:

We are CHAI GPTEA - a brand on a mission to bring flavourful, wellness-inspired teas to the UK's "on-the-go" culture.

Inspired by the rich Chai traditions of India, we've created a smart vending solution that delivers bold flavours, natural ingredients, and a comforting experience — anytime, anywhere.

Why Host a CHAI GPTEA Machine

- ✓ **Flavourful Alternative to Coffee**
Wellness chai blends like ginger, saffron, and matcha
- ✓ **Fully Managed**
We install, stock, and service everything
- ✓ **Valued Amenity**
A modern perk for staff, tenants, or visitors
- ✓ **UK Safety Compliant**
Certified to UK health and safety standards
- ✓ **No Staffing Needed**
Automated, contactless & fast
- ✓ **Compact & Clean**
Small footprint, no mess
- ✓ **Fits Anywhere**
Offices, hospitals, stations, studios & more
