Elevating customer satisfaction

At P&G PRO, we understand your top priority is customer satisfaction. That's why we provide cleaning solutions that help your establishment shine. Our trusted brands help you create a clean, hygienic and fresh-smelling environment for the best guest experience possible.

P&G PRO, the away-from-home division of Procter & Gamble.

P&G PRO provides your business with superior cleaning solutions to help your business thrive.

WHY P&G PRO?

- We understand the specific needs of businesses such as foodservice and design products accordingly, with a focus on cleaning, hygiene, and disinfection.
- Many of our products are proven to kill enveloped viruses such as Coronavirus and bacteria, and several are even effective on harder to kill non-enveloped viruses (like Adenovirus).
- We leverage P&G's superior technology, innovation and knowledge on cleaning built over the last 175 years.
- We serve you with leading brands your customers and staff know and trust.
- We provide outstanding service and equipment.
- We help businesses manage their Total Operating Costs so you can focus on your core business.
- It's a proven fact that guests notice and enjoy clean, hygienic environments.
- Thanks to P&G PRO, experiences are positive, people benefit and not surprisingly, businesses thrive.

P&G PRO is known for brands that are safe, simple and effective that help improve the operational efficiency of your business.

SAFE

- Our product range helps you to follow recommended HACCP guidelines and **meet regulatory requirements** for health and safety.

SIMPLE

- Consolidated product line-up with multi-purpose products for reduced chemical inventory.
- Streamlined training for better understanding and to enable compliance.

EFFECTIVE

- Products meet a full range of disinfection needs.
- Daily cleaners delivering impeccable cleaning with minimal effort.
