*It's A Story Of Cattlemen, A Story Of Craftsmen and Of Chapman.*

It's a story of cattlemen, a story of  
craftsmen and of chapman.

It's a story with deep roots in cattle, in  
land and a family who wanted to share  
that with lovers of fine beef.

The Angus Family are proud to present  
these opportunities to share in our story.

**"FROM OUR LAND TO YOUR HOME,  
WE ARE PROUD TO SHARE THIS  
PIECE OF OUR HERITAGE WITH  
YOU"**
