ABOUT FLORA

Flora was a goddess of flowers and the season of spring in Roman mythology. Her festival, the Floralia, was celebrated on 28th April -1st May and symbolised the renewal of the cycle of life, marked with dancing, drinking and flowers. Her name is derived from the Latin word "flos" which means "flower".

ABOUT THE TEA

Flora Teas™ are hand-tied individual green tea tips with selected dried aromatic flowers forming a tea ball/heart, which reveals its secret centre when placed in boiling water, blooming into an artistic and captivating flower display with an enriching taste.
