COMPANY HISTORY

We aim to implement a 10-year development strategy (2020-2030) to establish a system of six production plants for HAPLAST, with a minimum annual output of **120,000 tons**.

HAPLAST receives OK Compost Home Certificate for Compostable bags and Disposable packaging products completely destroyed in water, CO2 from TUV, Belgium.

Inauguration of export Factory No. 1 in An Thi, Hung Yen province Vietnam with area approximately **15,000m²**, capacity of **1,500 tons/month**.

2007

Production for local demands, research and development of packaging products were the precursor of our development. We exported and connected many packaging companies in Vietnam with foreign customers.

2016

2017

Developing customer network over **80 countries** around US, Europe, Australia, Canada Asia, with two main product segments as: Plastic bags and Compostable bags.

2019

Inauguration of export Factory No. 2 located in An Thi Industry Zone, Hung Yen Province, Vietnam with capacity of 3000 tons/month with modern technology and machines.

2021

2022

2023

HAPLAST is determined to:

- Become a multi-industry corporation
- Producing and supplying eco-friendly and biodegradable products.
- Launch an IPO and become a public company.

2030

ABOUT US

With 20 years in Manufacturing & Exporting Plastic Bags and Compostable Packaging, HAPLAST is a leading Southeast Asia Corporation & Top 3 Vietnam Company specializing in production of plastic packaging and eco-friendly products integrated into the ecological system.

HAPLAST have 3 Modern Factories with 12 color printing technology. We meet Japanese industrial standard (JIS), FDA standard of USA, BRC standard of Europe, BSCI, GRS, RCS, BPI, SGS, ISO 9001:2015 and Food Safe Contact Certificates. In 2019, we received OK Compost Home & OK Compost Industria certificates from TUV, Belgium for our packaging. In Jan 2022, we reached over 54,000 tons/year for the 2 factories. In 2024, we has factory 3 & offices in the United States and Finland, allow us to provide much better support to our valued customers.
