5 – 7 April 2027 | Excel London

SURPLUS FOOD DONATION 2027

Food Drink and Hospitality Week is proud to partner with City Harvest to collect and distribute food donations from exhibitors

City Harvest rescues food, people, and planet by preventing food waste, providing life-changing support to communities across London through free food, and diverting greenhouse gas emissions from waste.

We collect surplus food from **farmers and growers, manufacturers, distributors, wholesalers, retailers, film shoots and all parts of the food, drink and hospitality sector**, and deliver it to 320+ charities across London.

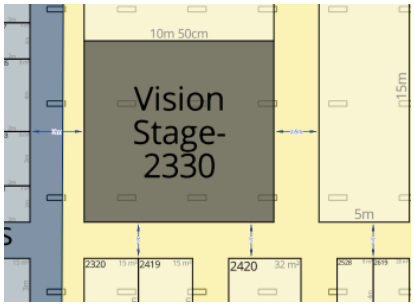

Our recipients include after school clubs, community kitchens, faith centres, homeless shelters, hostels, soup kitchens, mental health charities and domestic abuse refuges.

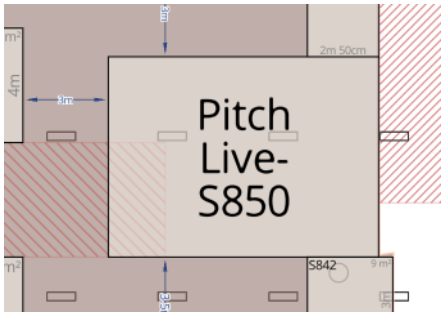

WHAT CAN YOU DONATE?

City Harvest can collect fresh, frozen, and ambient food. All food* must be unopened and have printed (not handwritten) labels with ingredients and **allergens**, be unopened and be within its use by date. City Harvest does not collect hot meals, open food or compromised packaging, food past its use-by date, and alcohol.

*whole fruit and vegetables need not be packaged and labelled

The organisers will be setting up 3 collection points at the **IFE Meeting Hub (3240)** & **Pitch Live (S850) & Vision Stage HRC (2330)**

When the show closes at **4.00pm on Wednesday 7th April** please bring your donations to one of the collection points. The City Harvest and Montgomery Group teams will be on hand on to help.

SURPLUS INEDIBLE FOOD

If you have any leftover food at the end of the show that is no longer suitable for consumption or cannot be accepted by City Harvest, please dispose of it responsibly using the designated food waste bins located in the Exhibitor Wash Up areas.

Please do not place food waste in general waste bins or leave unwanted food on or around your stand. Using the dedicated food waste bins helps us to separate waste correctly and reduce the amount sent to general waste.
