WALLS

All Boost Package Gold stands are constructed from 2.5m high back and dividing panels. The graphic is a textile infill directly fixed onto the aluminum frames and not in between structures, to give a clean design finish.

Fixing of exhibits (on top of the graphics) is permitted using Velcro hook and loop tape and approved double-sided tape, which can be purchased from the RAI Event Services desk onsite. NB: If any damage occurs to panels the RAI will charge the exhibitor the full panel price. For further advice and guidelines, or if you have anything to hang, please contact the [RAI Exhibitor Services](#).

FLOORCOVERING

All stands are provided with grey anthracite premium carpet, please let the [organisers](#) know if you do not require this. If you would like to change the **colour** of your carpet free of charge or if you would like to change your floor covering (e.g. to vinyl) at an additional cost, please contact [RAI Exhibitor Services](#).

A raised floor of 12cm high will be included. Please note that it is mandatory for all raised floors to include a ramp for access purposes.
