SATURN

Workspace Elements

.rivalmetal | **OPTIMA**

The image features a minimalist aesthetic with a split background. The left half is a solid teal color, and the right half is a light, off-white color. Three rectangular frames, resembling picture frames or architectural elements, are positioned on a light-colored floor. The frames are made of a dark, possibly metallic, material. The first frame is on the left, the second is in the center, and the third is on the right. The frames are empty, and their sharp edges are highlighted by the lighting. The overall composition is clean and modern.

Having a special and innovative appearance, **OPTIMA** embodies the atmosphere that gives a dynamic appearance beyond the traditional as it is designed with sharp sections.

OPTIMA | Workspace Elements

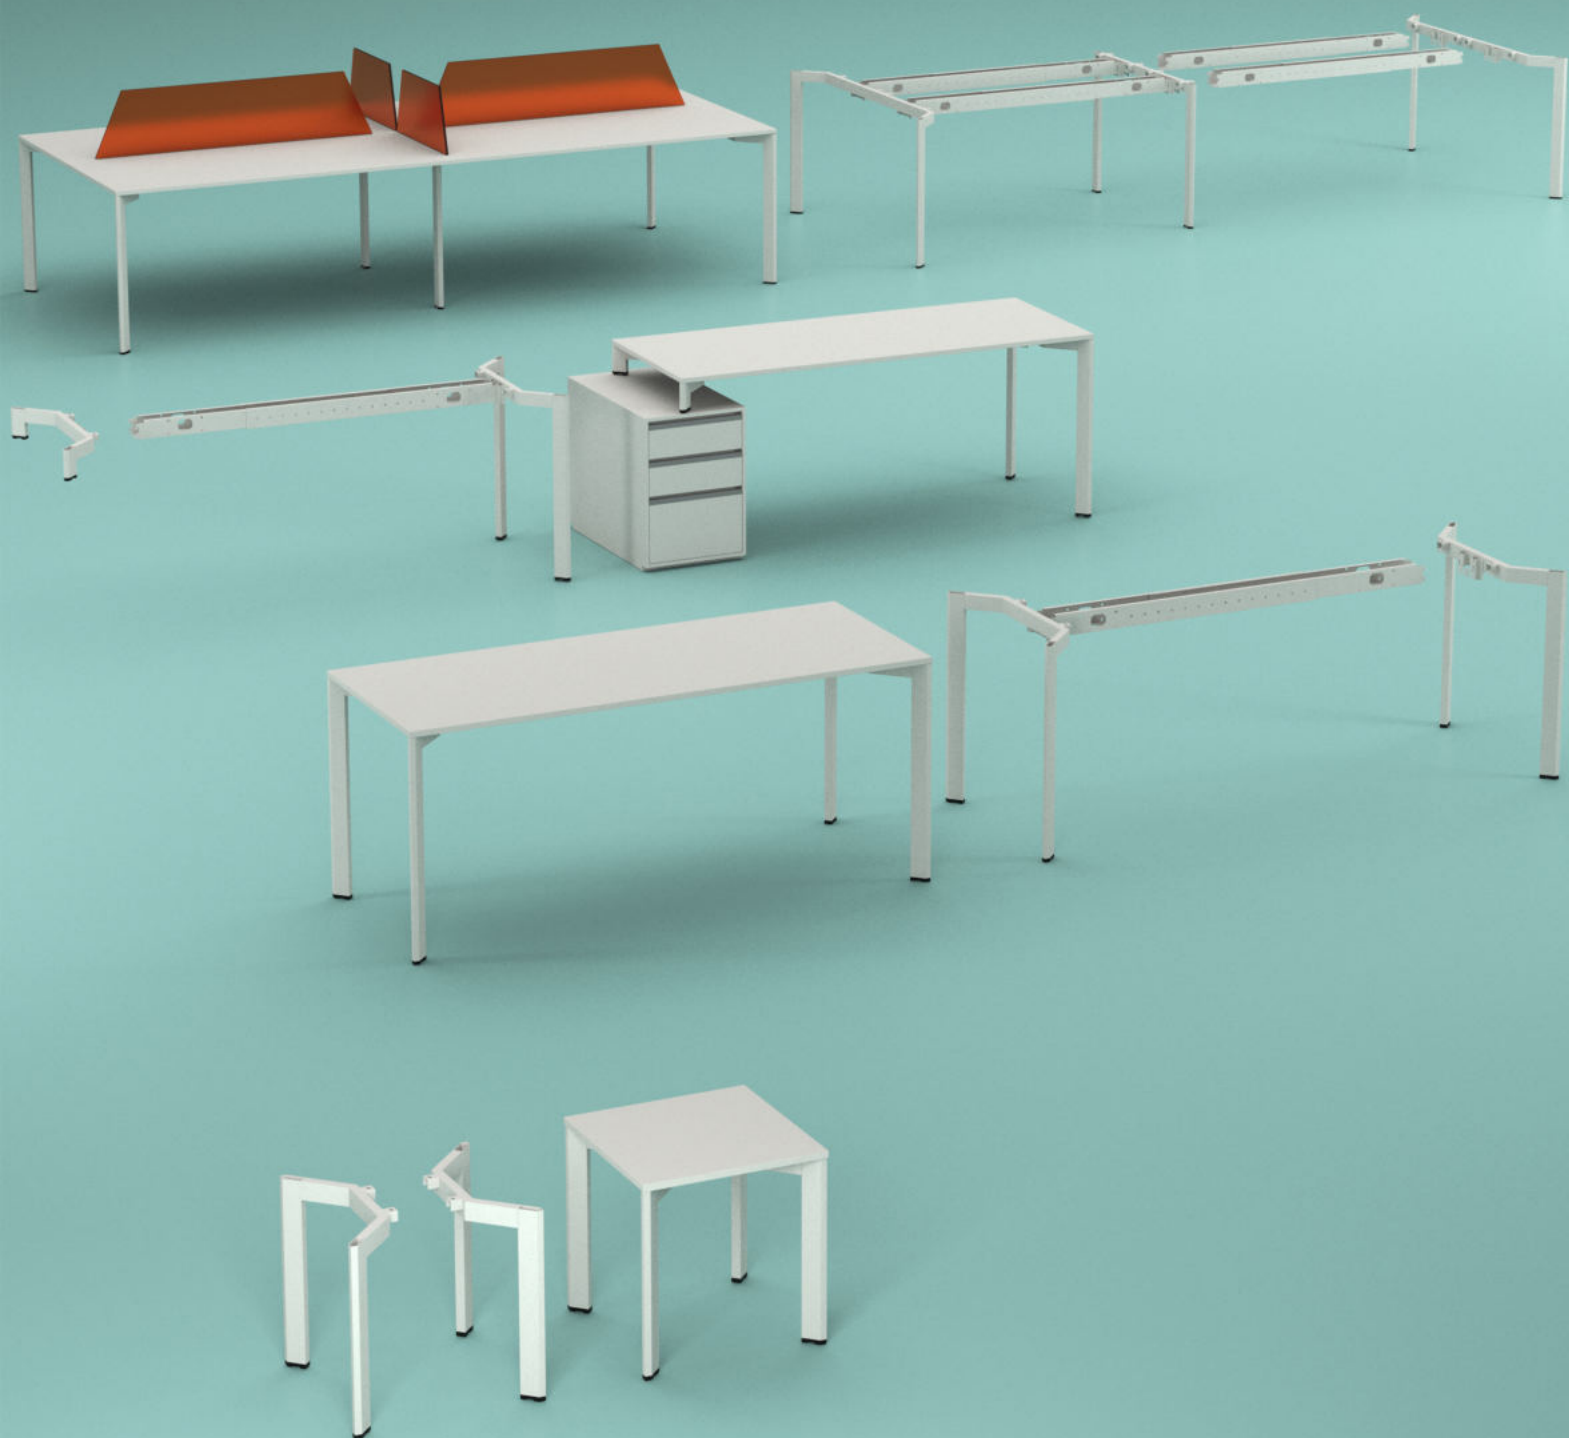

.rivalmetal | **PRIZMA**

PRIZMA, which shows the innovative stance of the use of angles and polygons, creates a modern atmosphere in its environment.
