" Efficient & friendly company.
All the staff are polite, friendly &
professional."

John Robson - 2023

" We have used Leitz for well over 10
years; I would say a very reliable
company... nothing is to much of a
problem! "

JP Concrete - 2023

" Since using Leitz we have received
nothing but excellent levels of service,
tooling is always of a high quality. "

Dave Hickman - 2023

" We have used Leitz for many years. In
this time we have found their service to be
excellent, from initial supply to servicing.
Their personnel are always professional
and efficient."

Pacereze - 2023

Saw & Tool Sharpening Service

Globally Trusted Quality

01279 454530
Contact-uk@leitz.org

Leitz Services:

Tool management:

Our free & unique tool management system ensures the maximum amount of resharpening and predicts upcoming tool replacements.

Technical support:

We offer our expertise to companies, providing quality tools, advice and technical support to optimise your production.

Seminars, site checks and training:

We believe in going above and beyond for our customers. That's why we offer free expertise and technical advice to optimise your production.

Sustainable services:

At Leitz we believe in making ourselves and our customers as sustainable as possible. All of our services are designed to minimise environmental impact and supplemented by green energy.

Precise sharpening

With our new and state-of-the-art equipment we are capable of servicing to extremely close tolerances.

Flexible delivery

With one of the largest team of technical and service reps in the UK, we can deliver your tooling right back to the factory.

Professional Sharpening, As new

What does quality sharpening mean to you??
