EFFECT PAINTS AND COATINGS

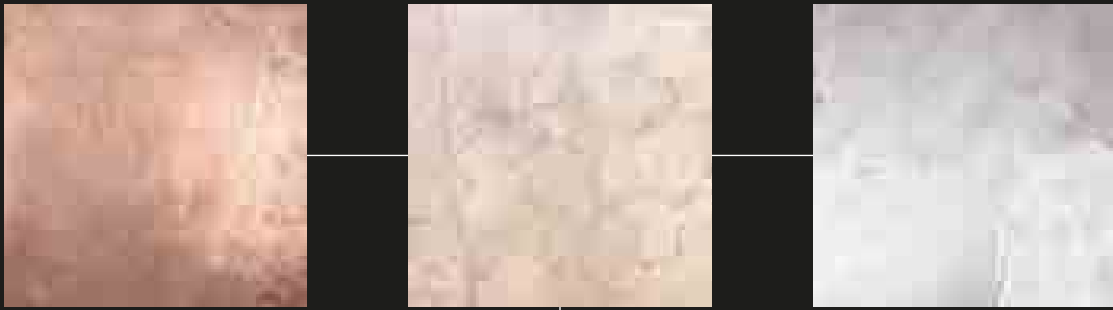

METALIUM EFFECT
METAL EFFECT DECORATIVE PAINT

GOLDEN PLUMB
INTERNATIONAL
BUILDING
CATALOG
2020 AWARDS

Metalium Effect

*Decorative Painting Category Award in
Innovative Building Products Category*

You can use the shine, reflection and nobility of the metal freely
in your spaces with our Metalium Effect product.

MARMOROSSO MARMORINO
ANTIQUE MARBLE INTERIOR COATING

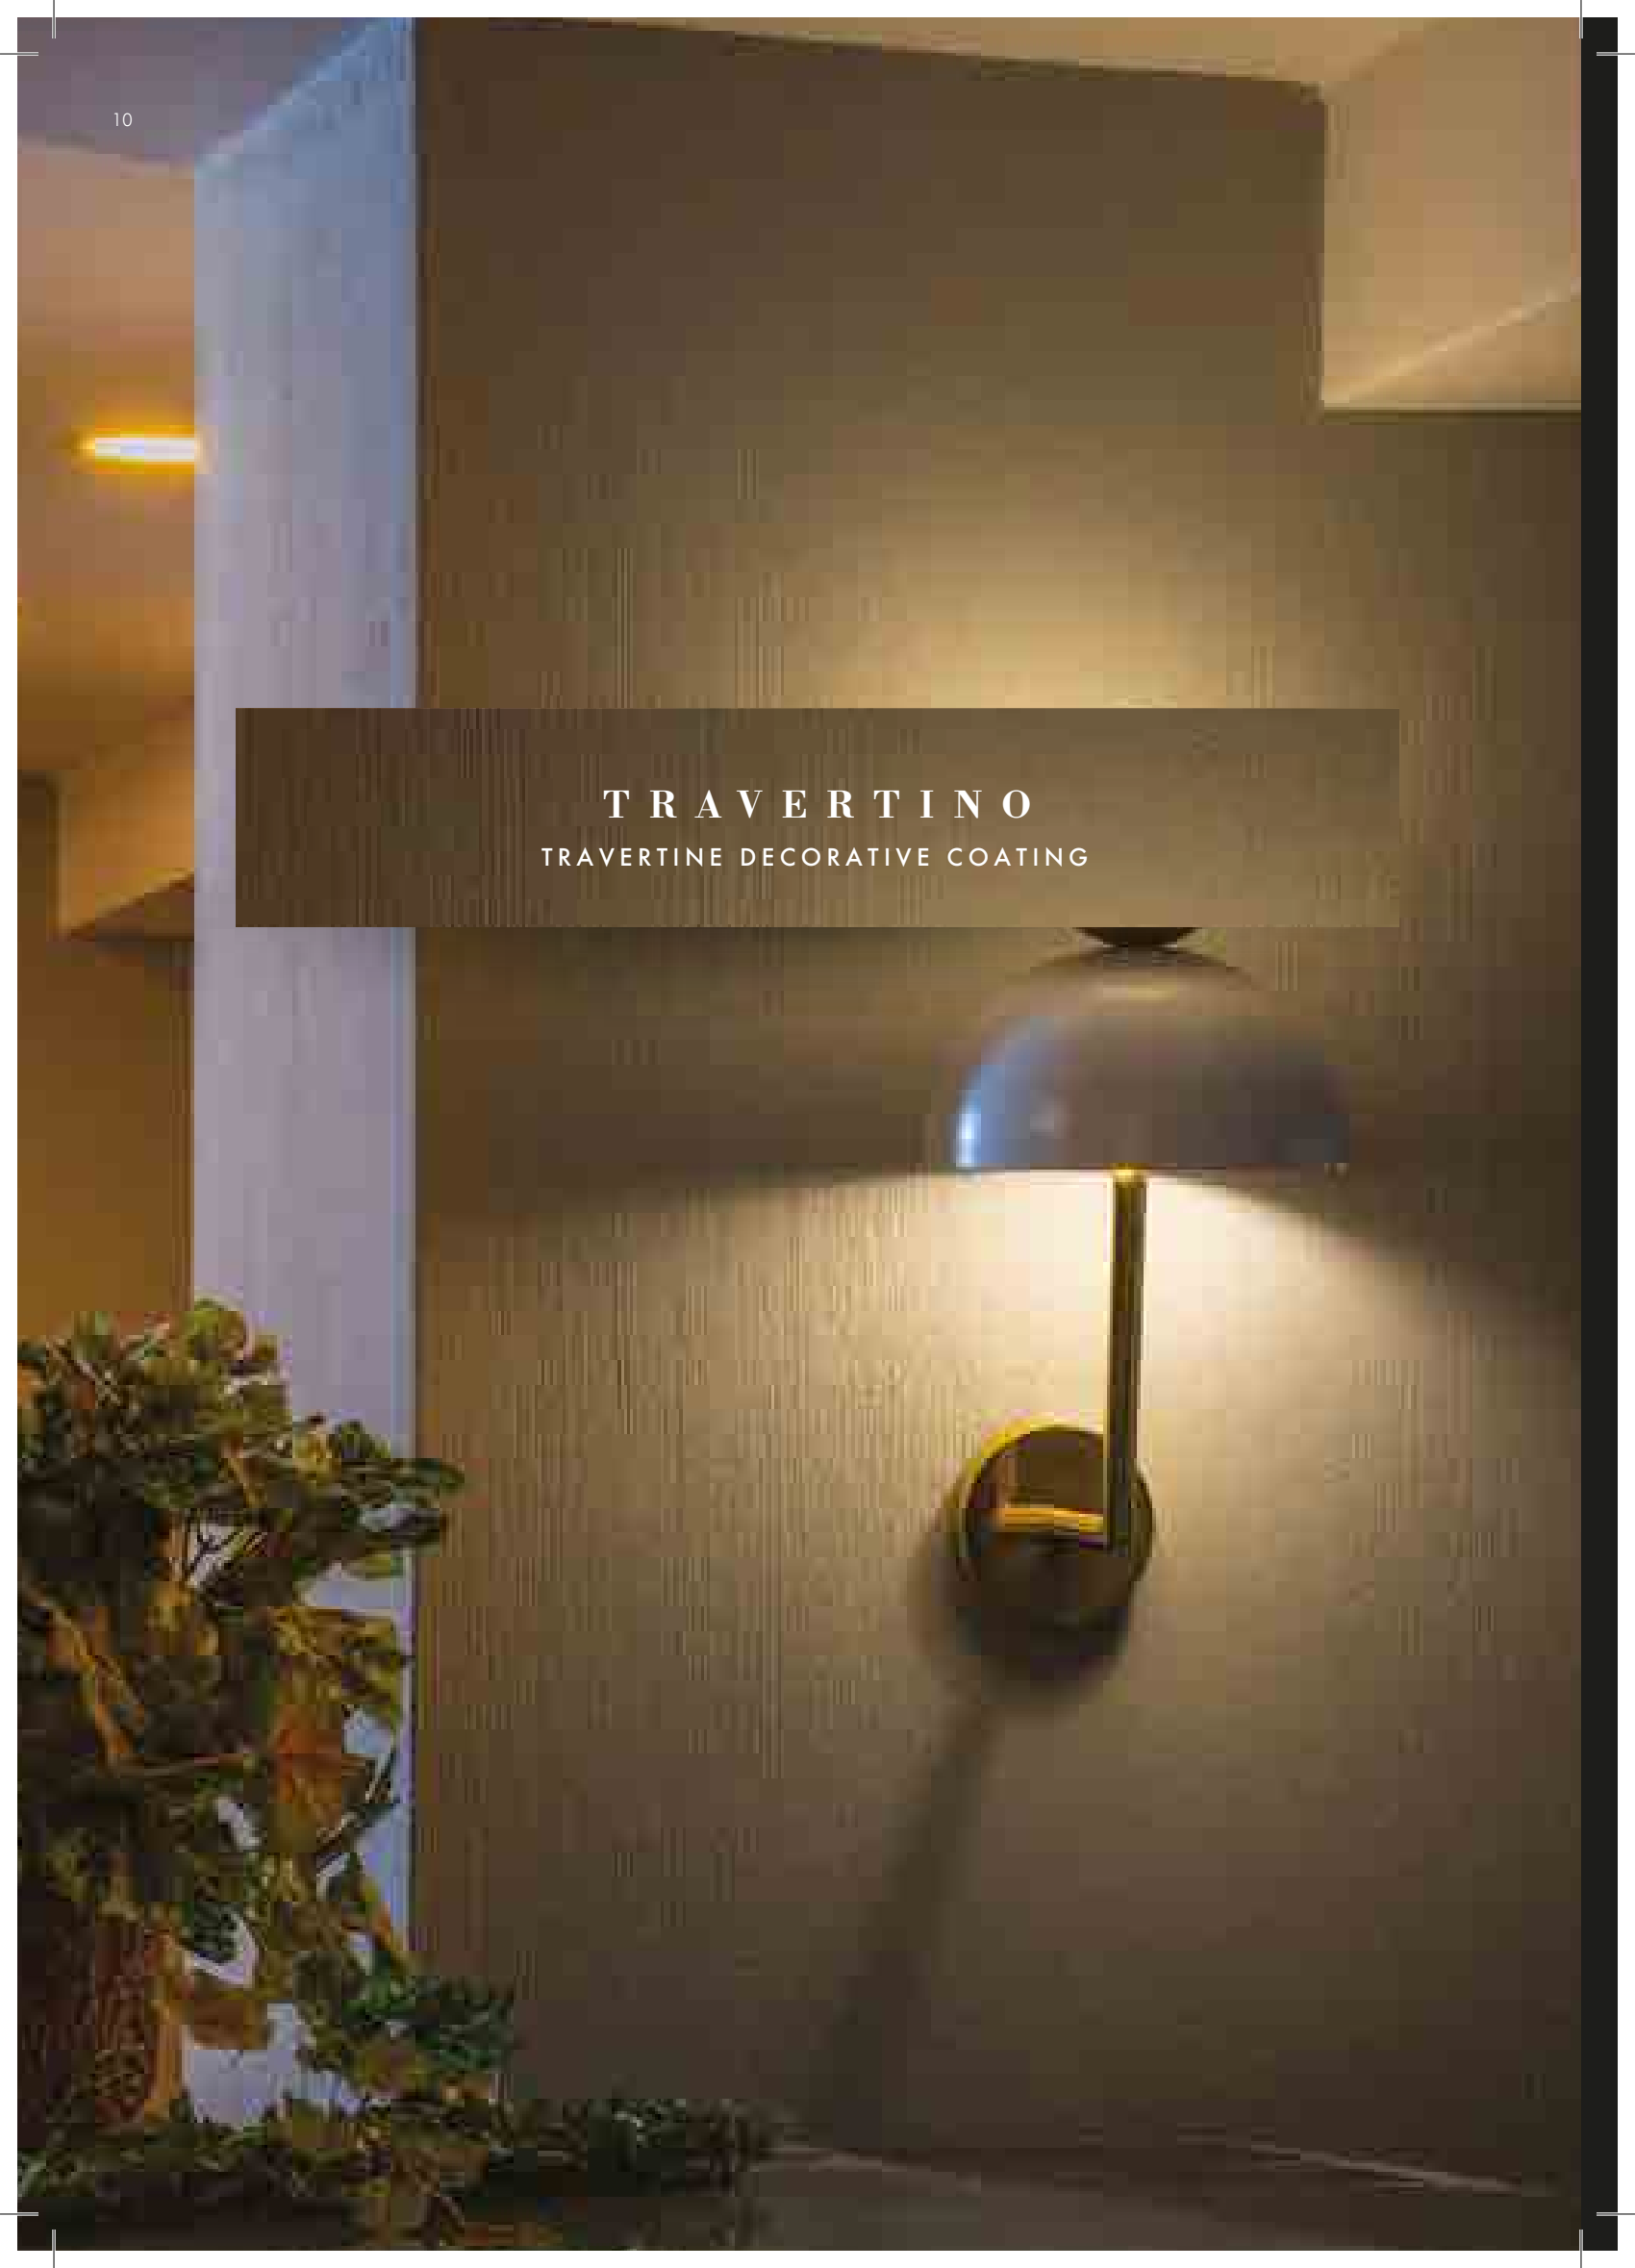

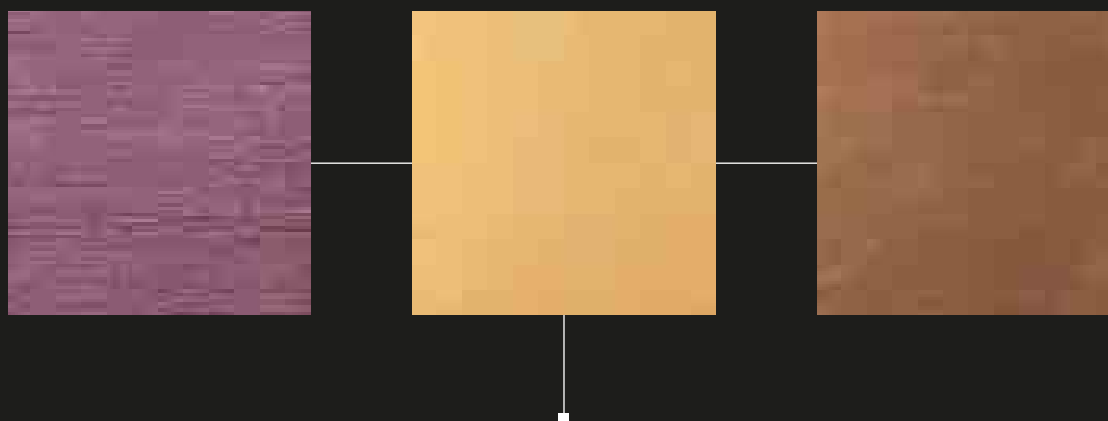

While Marmorosso Marmorino brings the magnificence of antique marble, it allows for creating spaces that breathe with its mineral structure and natural lime texture.

* You can apply Sandecoshield (matte or gloss) on top of completely dried application for exterior and humid interior surfaces.

TRAVERTINO
TRAVERTINE DECORATIVE COATING

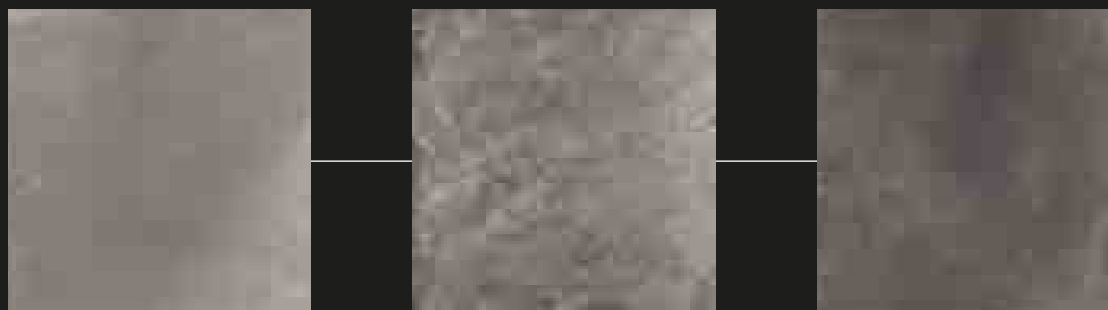

You can combine the naturality and style in your spaces with the mineral stone texture of Travertino, and have impressive designs with our unique stencil collections.

* Exterior version of the Travertino product is also available.

B E T O N D E C O
EXPOSED CONCRETE DECORATIVE COATING WITH NATURAL LIME ADDITIVE

Beton Deco brings the plain and contemporary architecture to your walls with an industrial approach thanks to its exposed concrete appearance.

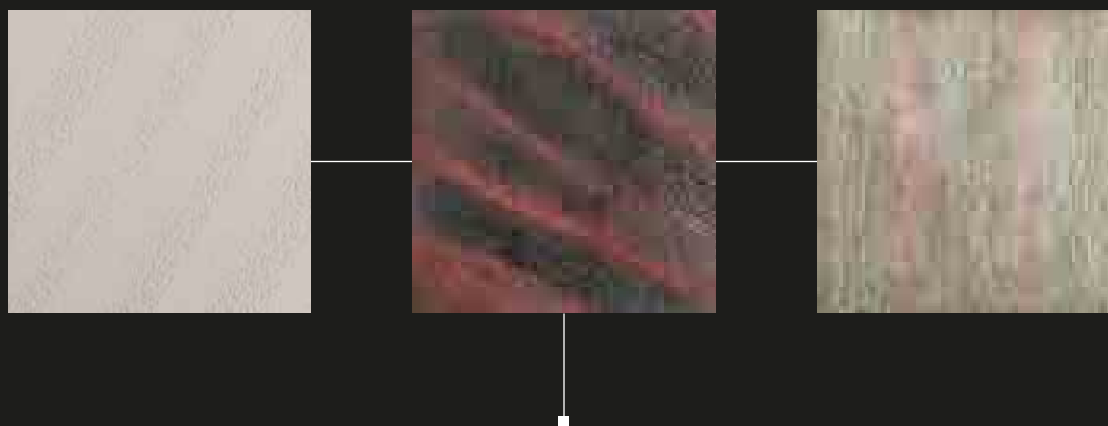

* Exterior version of the Beton Deco product is also available.

OBIANTE

DECORATIVE COATING WITH NATURAL LIME AND MINERAL ADDITIVES

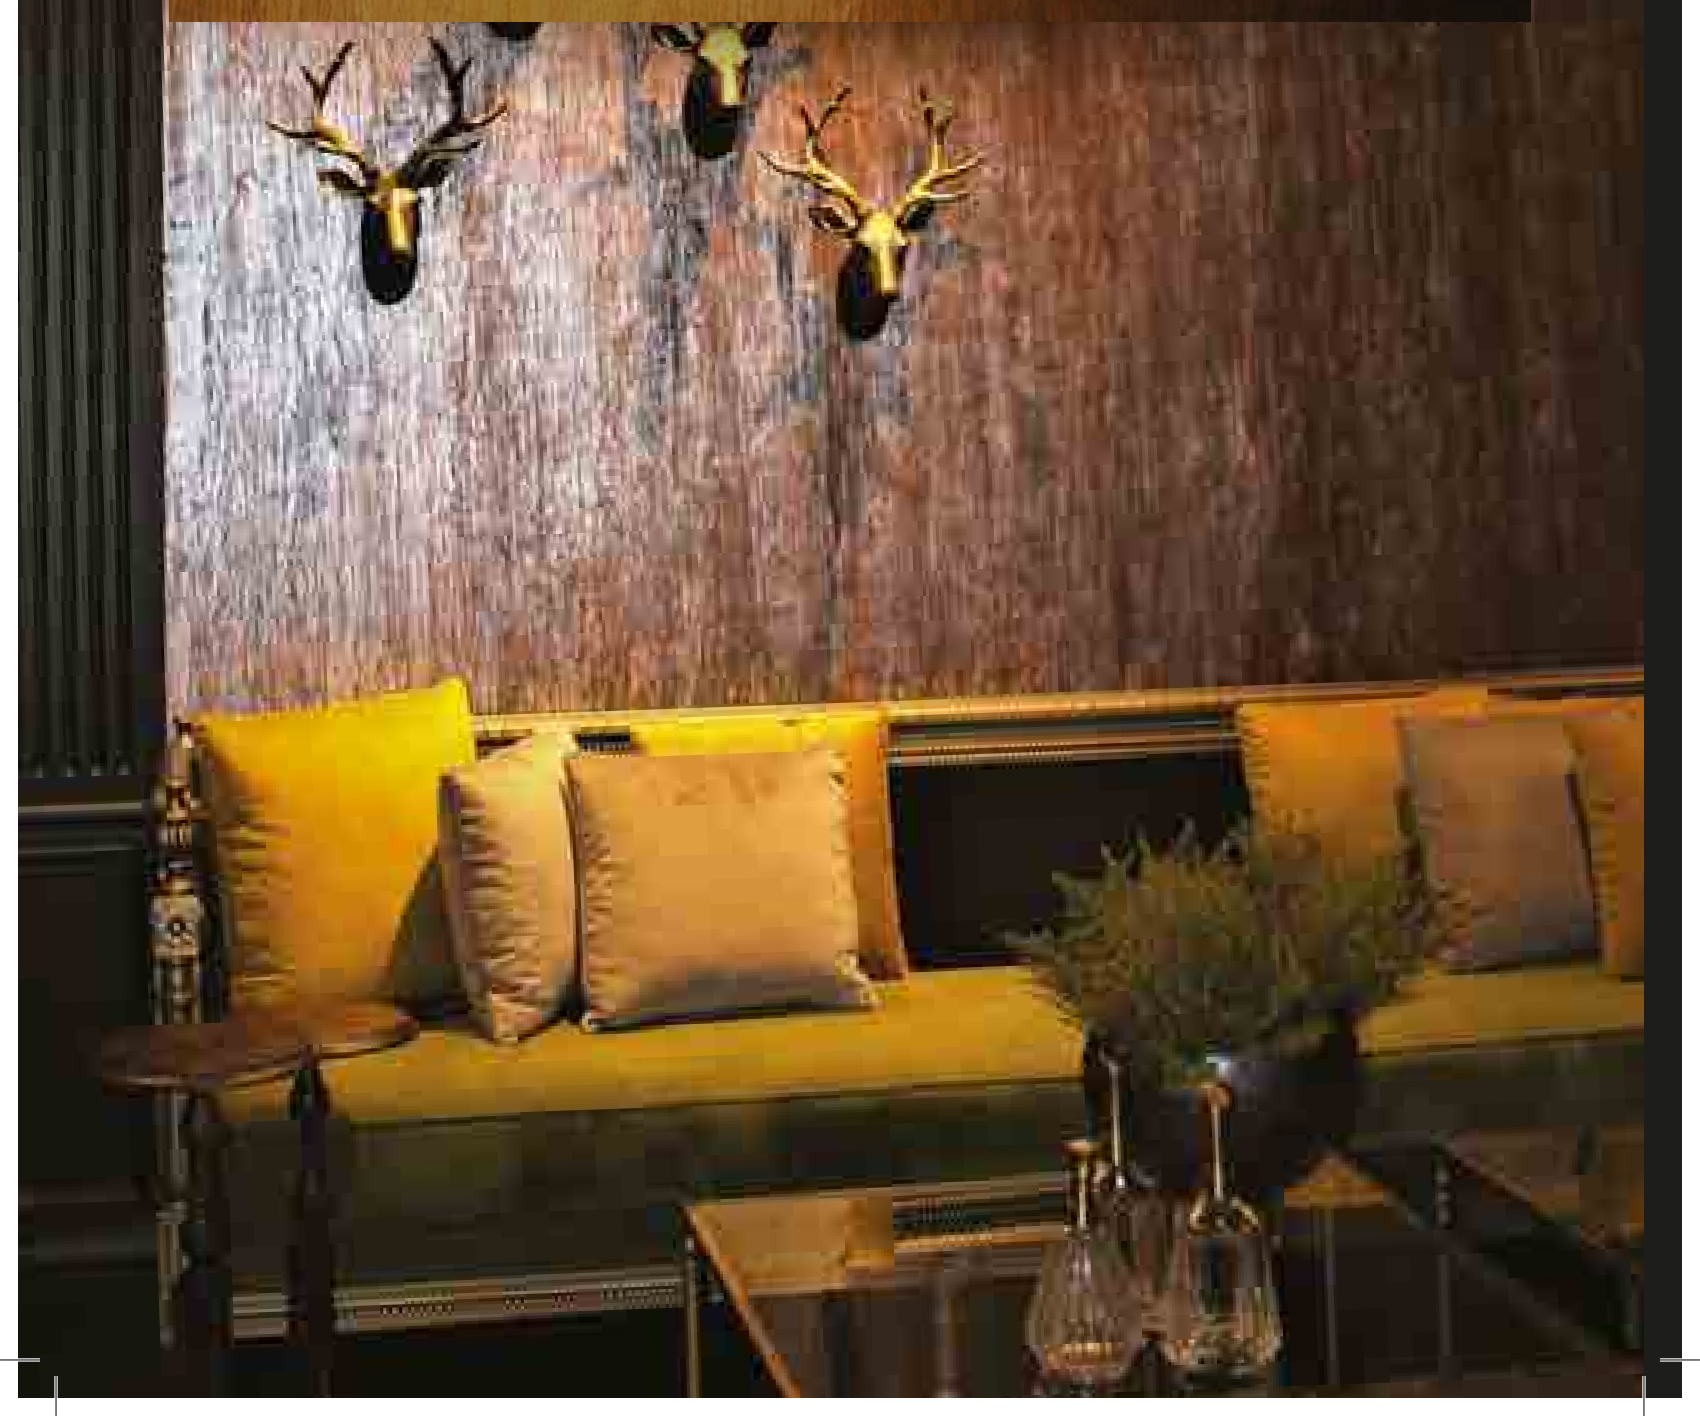

Thanks to its natural lime and marble powder content, Obiante allows for unique stylish designs besides its excellent coating properties.

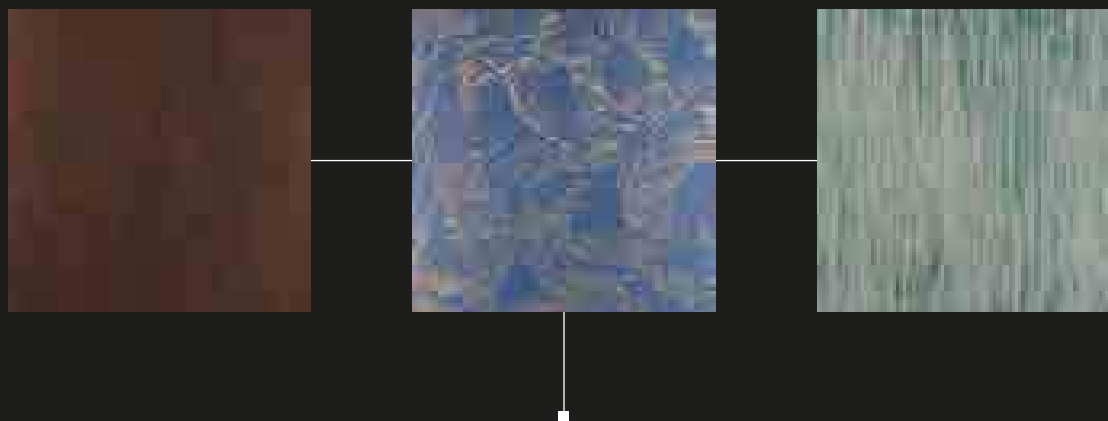

MIRZASTO

PASTY DECORATIVE COATING COMBINED WITH FINISHING PAINT

With its easily applied structure, Mirzasto reflects the color transitions in nature to your walls, by blending them with classical architectural textures.

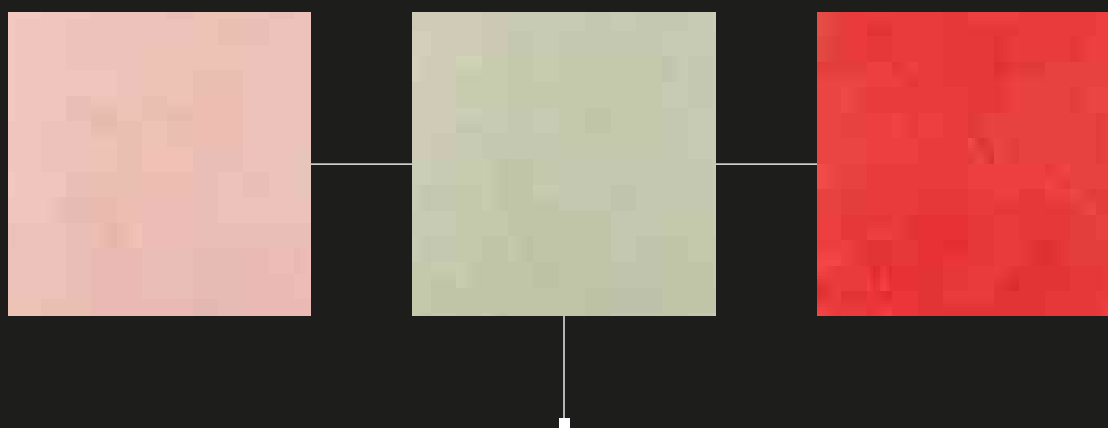

* Mirzasto Base can be colored up using tinting machine system.

DECOSTUCCO
MARBLE EFFECT VENETIAN PLASTER

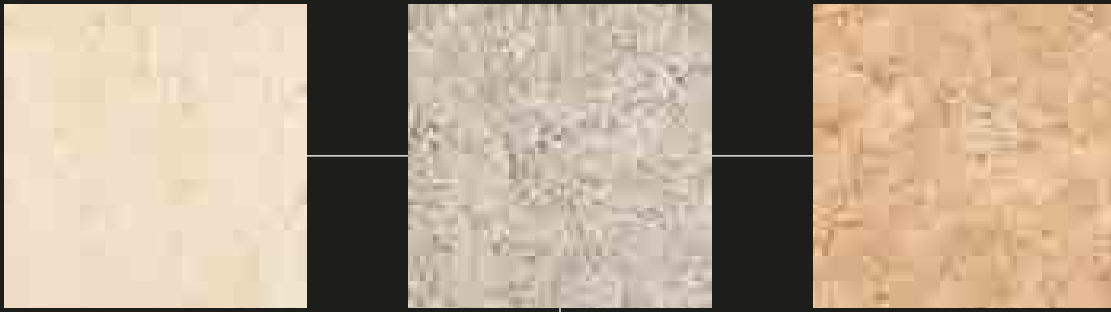

Decostucco adds a magnificent appearance to spaces by combining the natural marble texture with a wide range of colors and gloss.

NOSTALGIE

ANTIQUE DECORATIVE COATING COMBINED WITH FINISHING PAINT

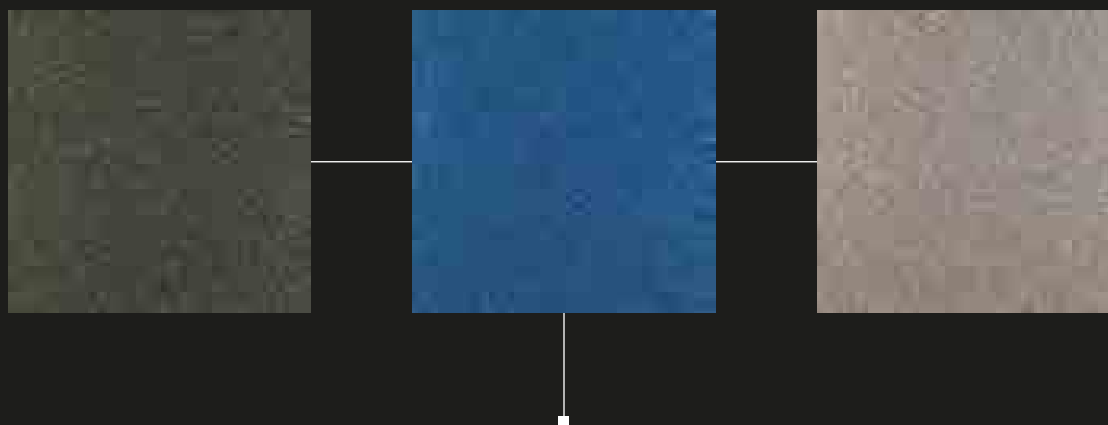

Redefining the texture of antique stones in line with the modern architecture,
Nostalgie allows for boldly applied soft touches that you want to see
in your spaces thanks to its fiber additive content.

* Nostalgie Finish can be colored up using tinting machine system.

DECOCAM
DECORATIVE GLASS COATING

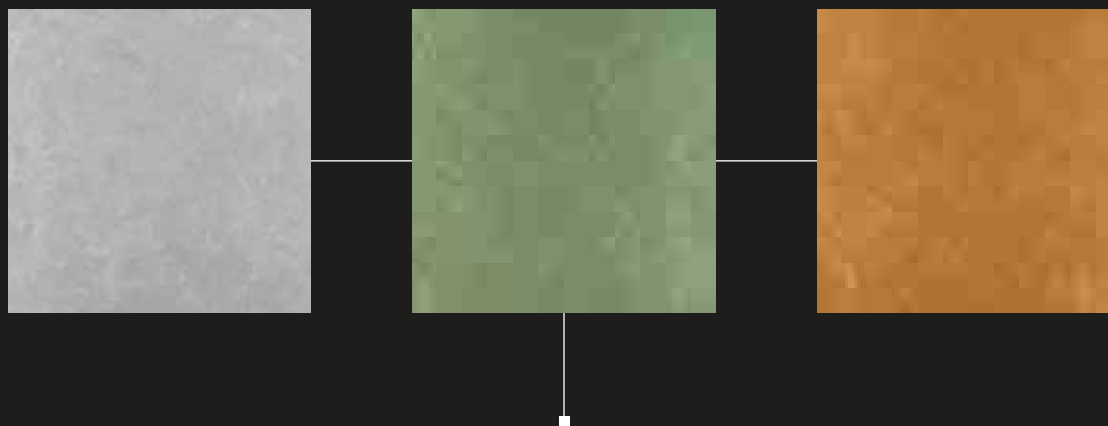

Offering colorful textures with tiny pieces of glass to correct the surface defects and create modern and lively spaces, Decocam allows for creating uniquely stylish spaces.

ATRACTO
SILKY PEARL DECORATIVE COATING

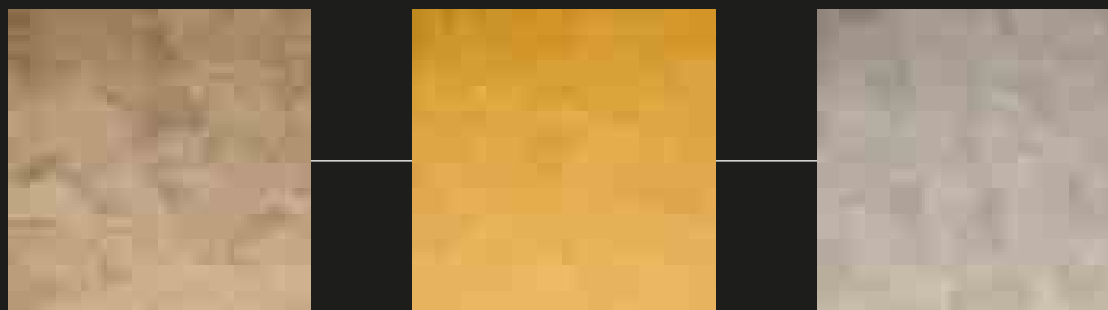

Bringing glimmer to your walls with the silky and attractive texture of the pearl, Atracto adds a unique touch to your spaces by offering a classic elegance.

* Exterior version of the Atracto product is also available.

A T R A C T O T O U C H
SILKY METALLIC PEARL DECORATIVE COATING

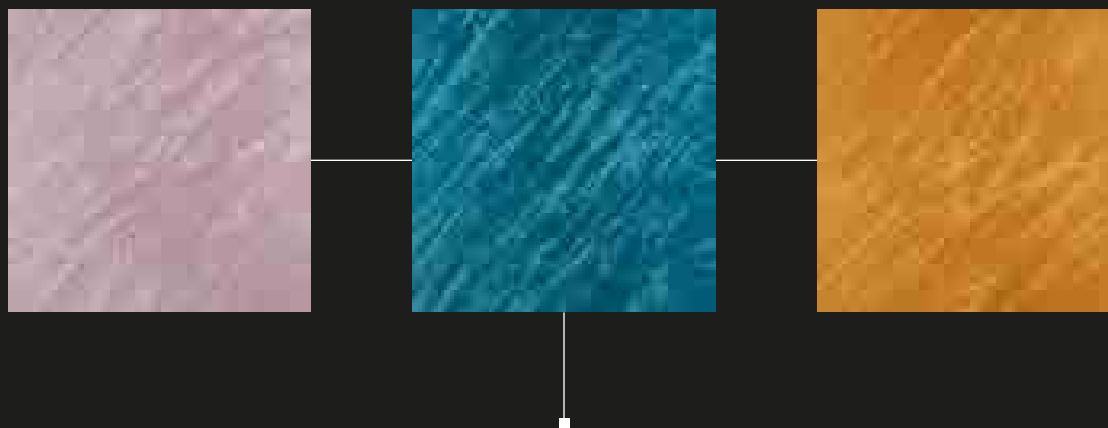

Drawing its magnificence from the silky touch of pearl, Atracto Touch not only provides an elegant look in your living quarters, but also makes your life easier thanks to its washable properties.

SANDECO ART
PEARL EFFECT GRAINED DECORATIVE COATING

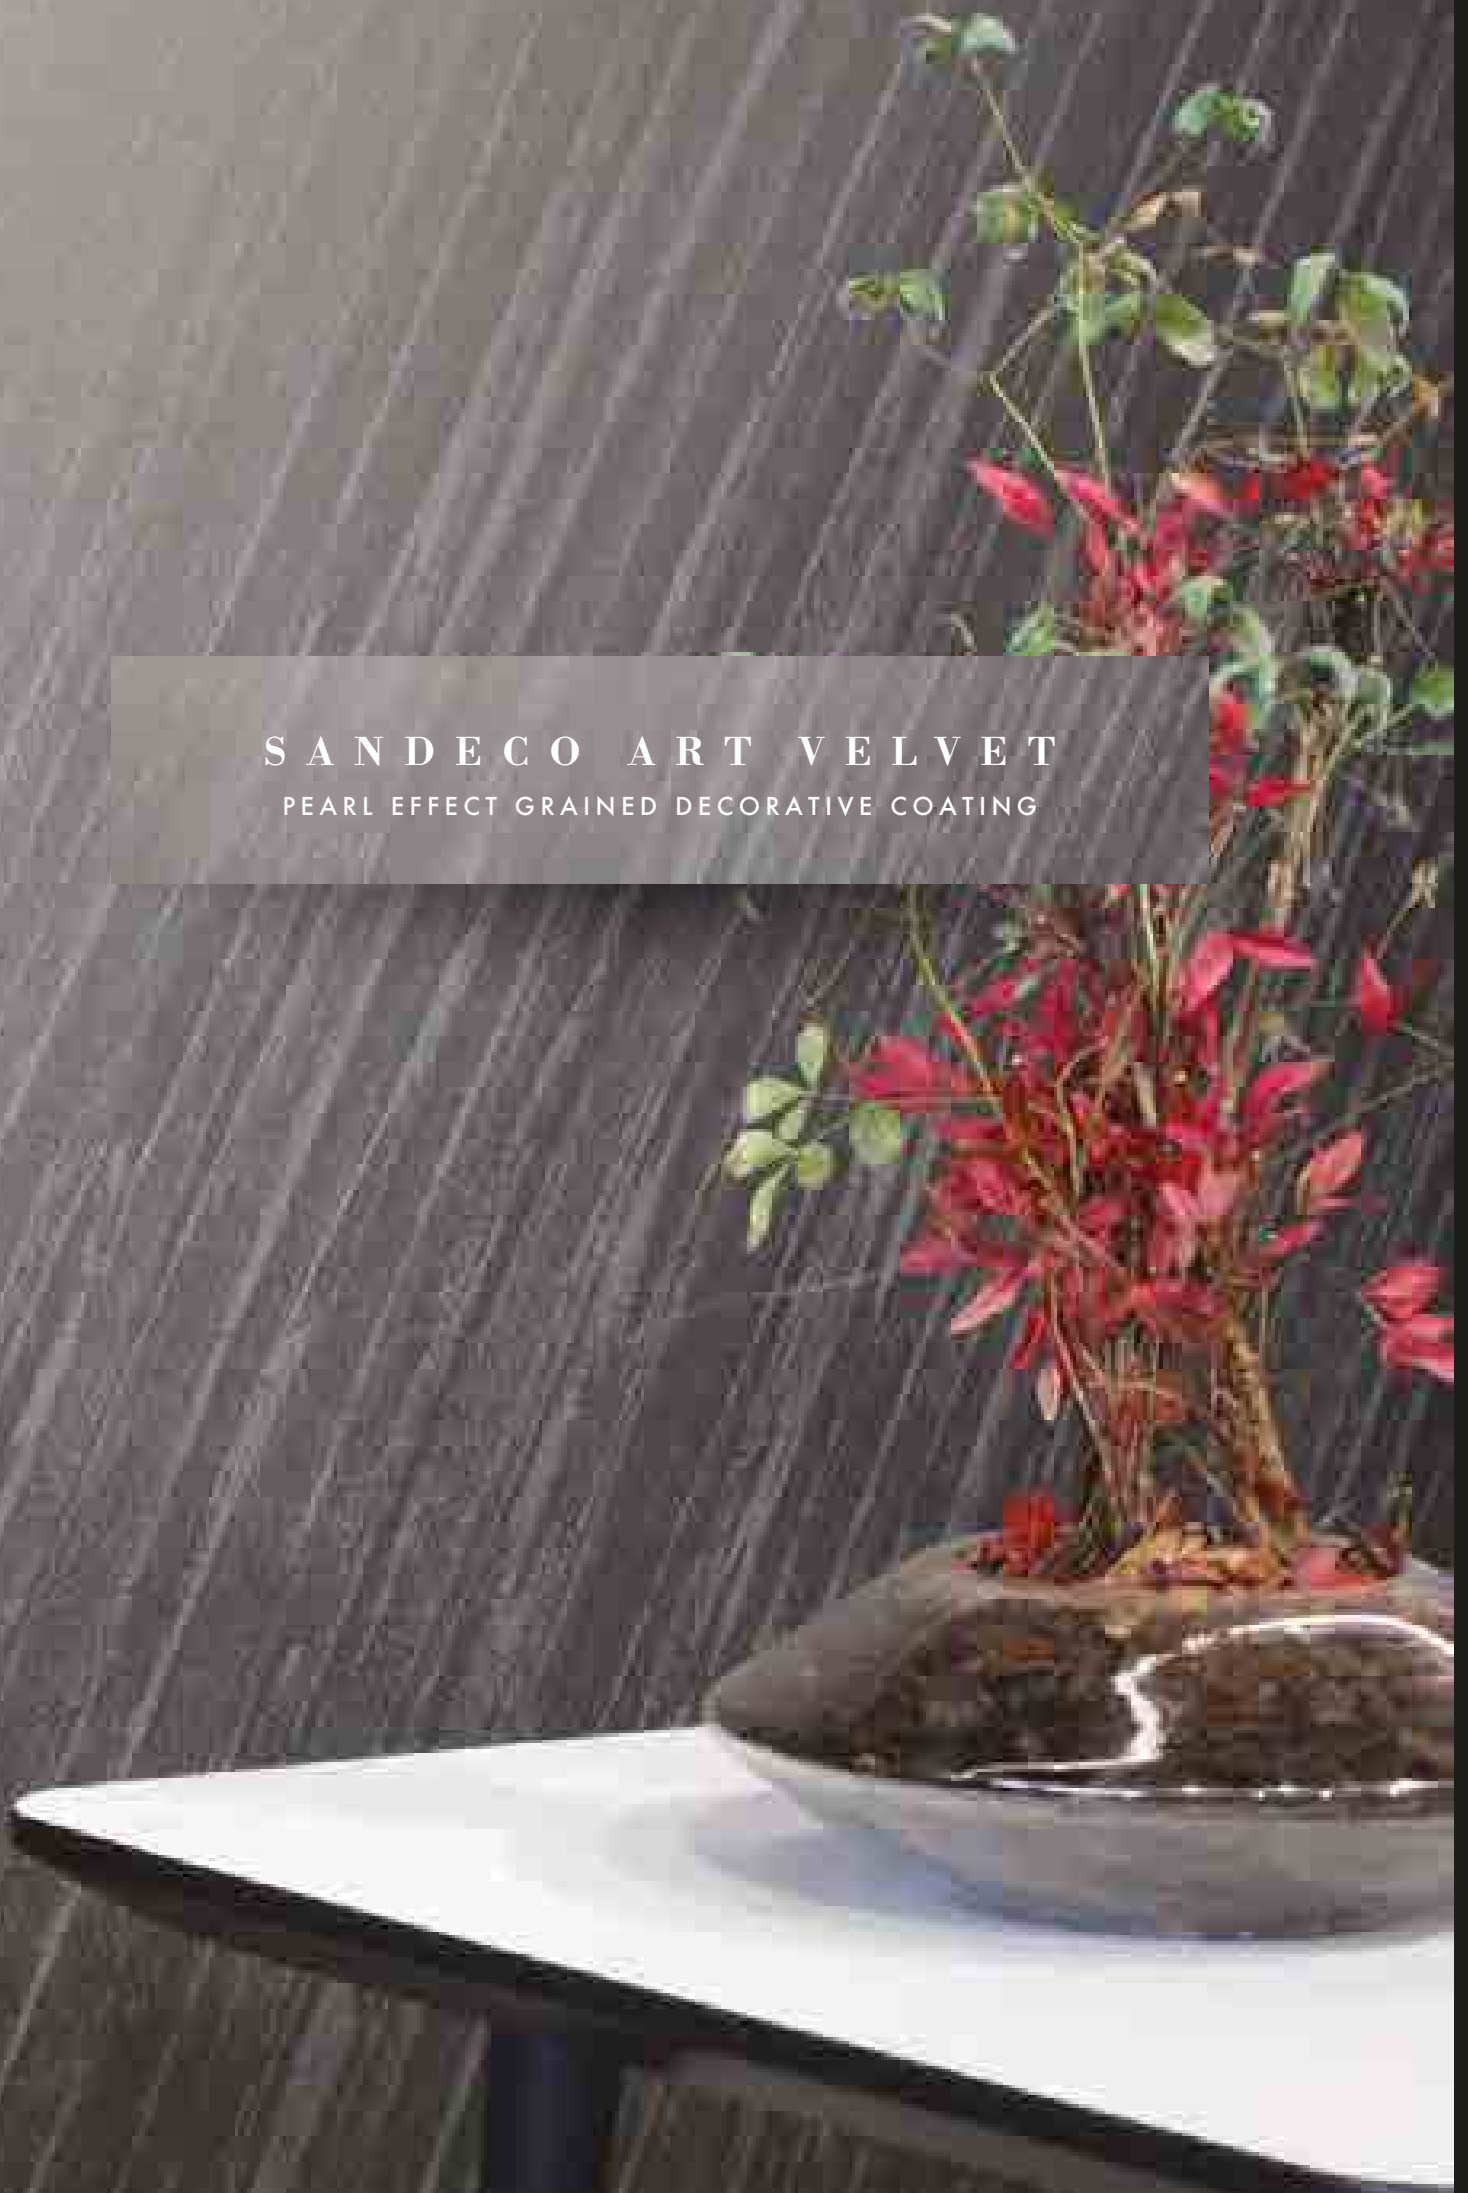

Easily applicable with its sandy and metallic glow, Sandeco Art adds value to your living quarters with modest and elegant designs.

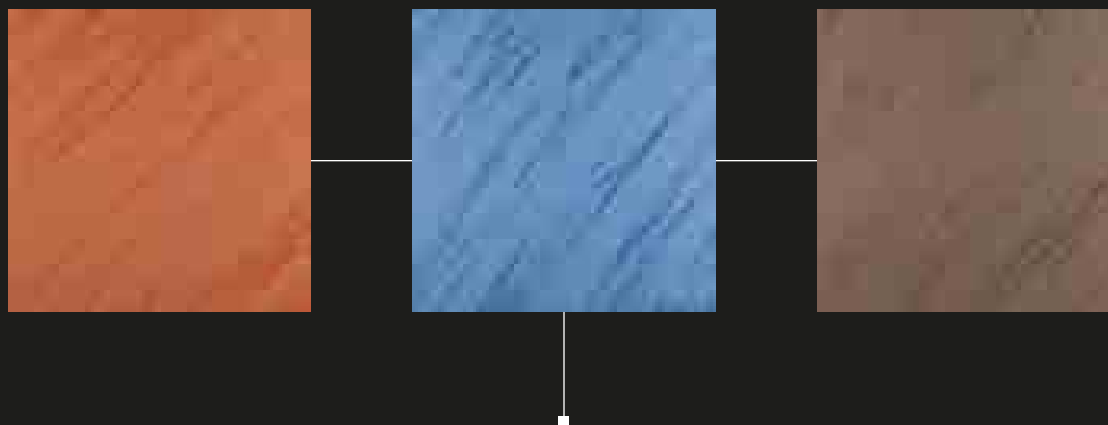

* Exterior version of the Sandeco Art product is also available.

SANDECO ART VELVET
PEARL EFFECT GRAINED DECORATIVE COATING

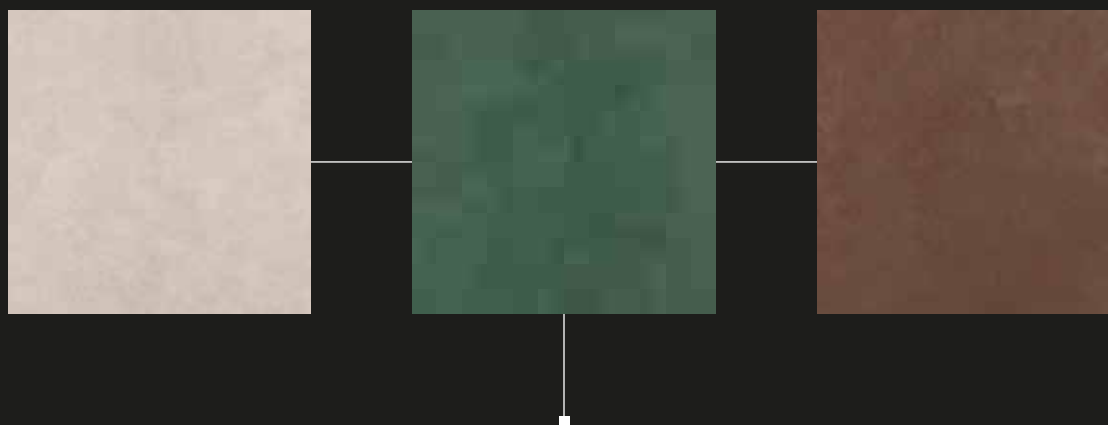

Easily applicable with its sandy and velvety structure, Sandeco Art Velvet allows for creating impressive ambiances in your spaces.

VIVALDI
PEARL EFFECT DECORATIVE COATING

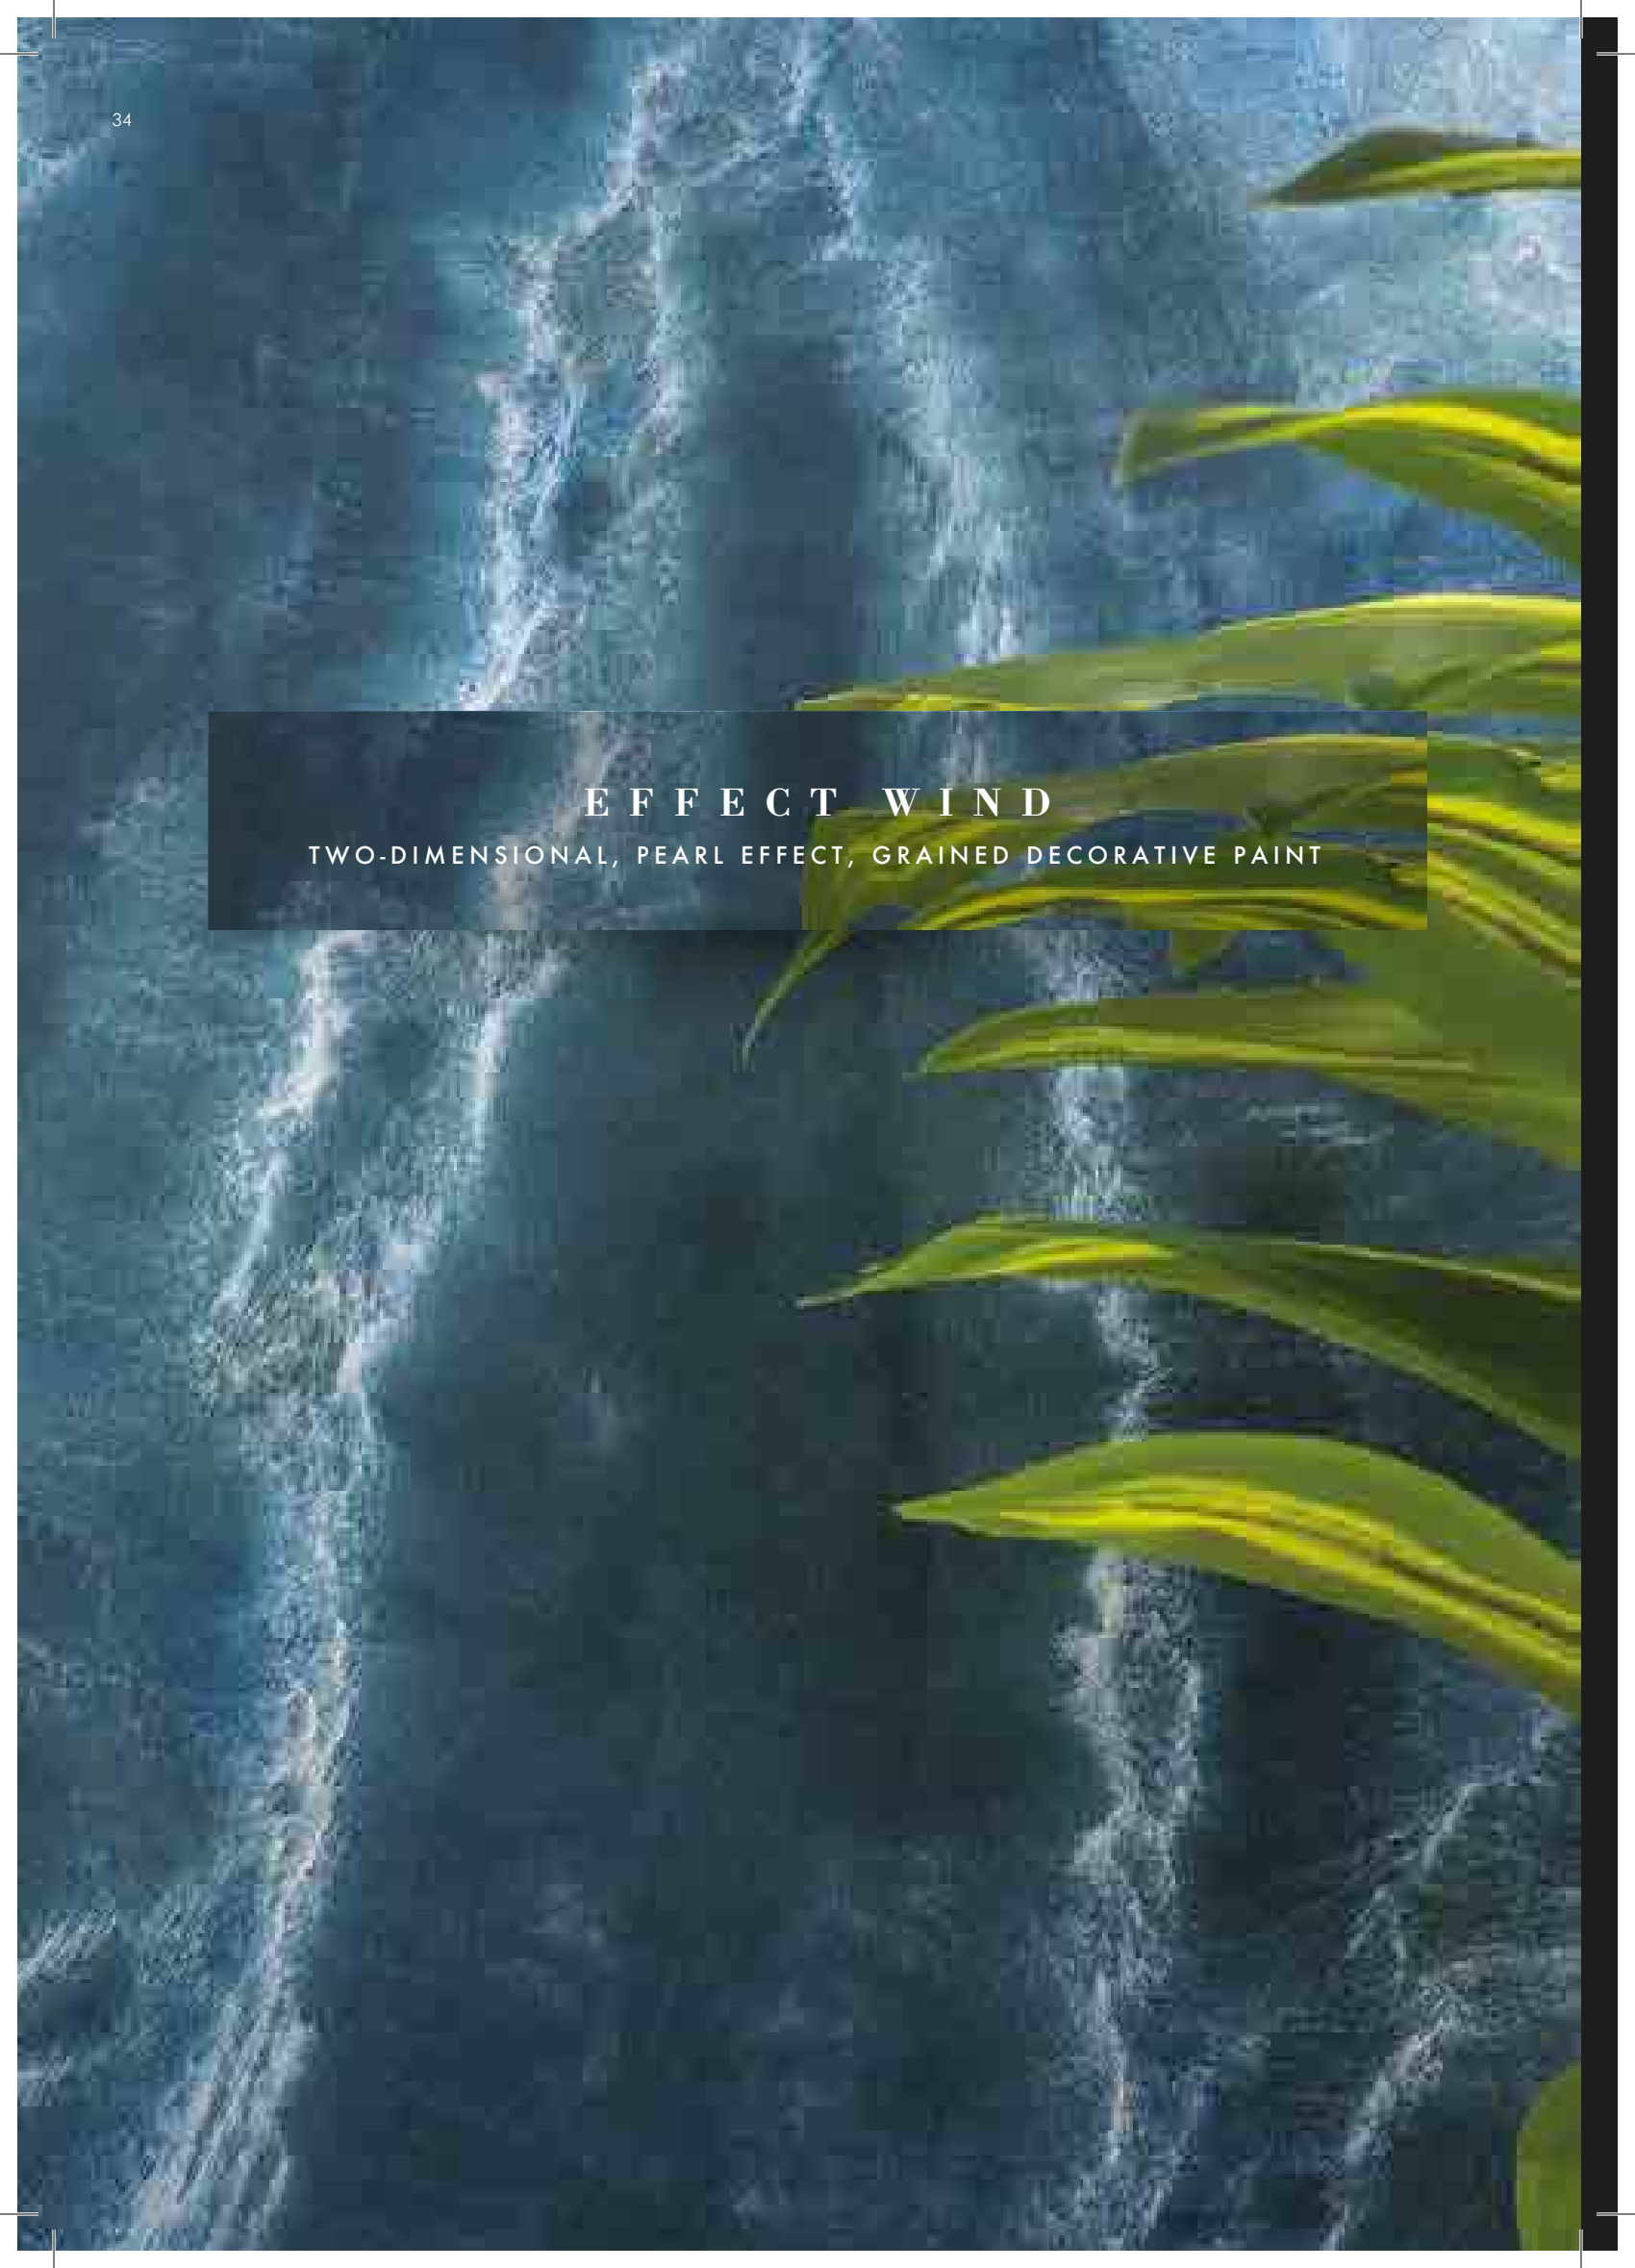

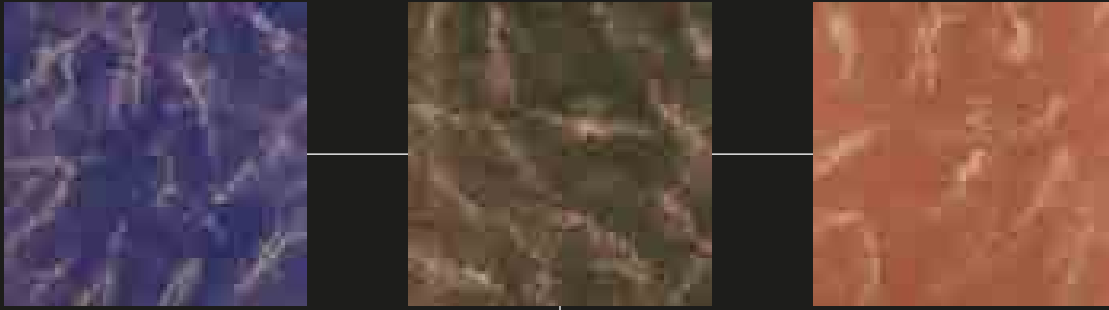

Combining the heartwarming softness of velvet with special textures,
Vivaldi introduces this warmth with added gloss and vitality in your living quarters.

E F F E C T W I N D
TWO-DIMENSIONAL, PEARL EFFECT, GRAINED DECORATIVE PAINT

Effect Wind will make you feel the ocean breeze in your living quarters with its two dimensional structure.

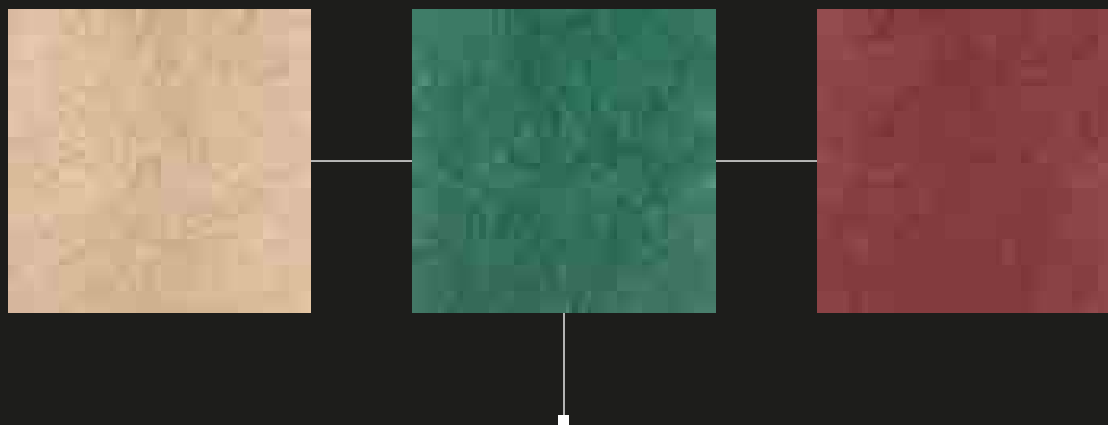

* Effect Wind Undercoat can be colored up using tinting machine system.

A R I S T A
PEARL EFFECT DECORATIVE PAINT

Using the unique structure of pearl to create exquisite and attractive walls while offering looks varying based on the angle of ambient light, Arista brings the style you wish for to your spaces with various application techniques and color options.

A M A R S I S
ANTIQUÉ METAL EFFECT DECORATIVE COATING

Amarsis reflects the antique metal effect you dream of to your spaces with modern and elegant touches.

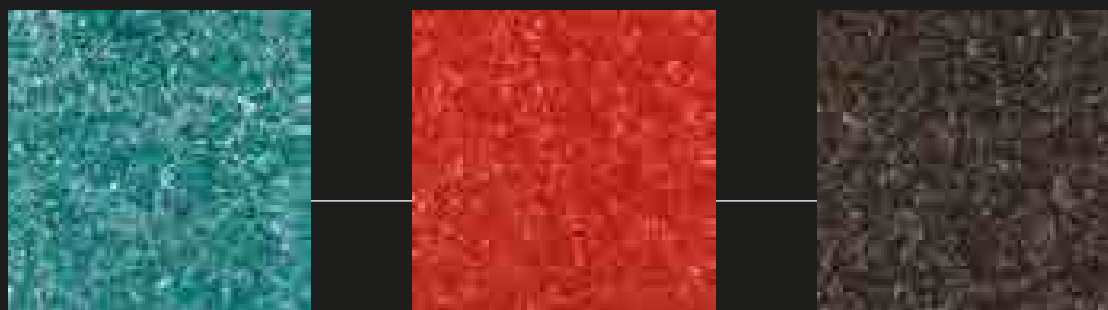

* Amarsis Primer Light and Dark products are available as factory colored.

COMETA

ACRYLIC BASED, FLAKE ADDED DECORATIVE PAINT

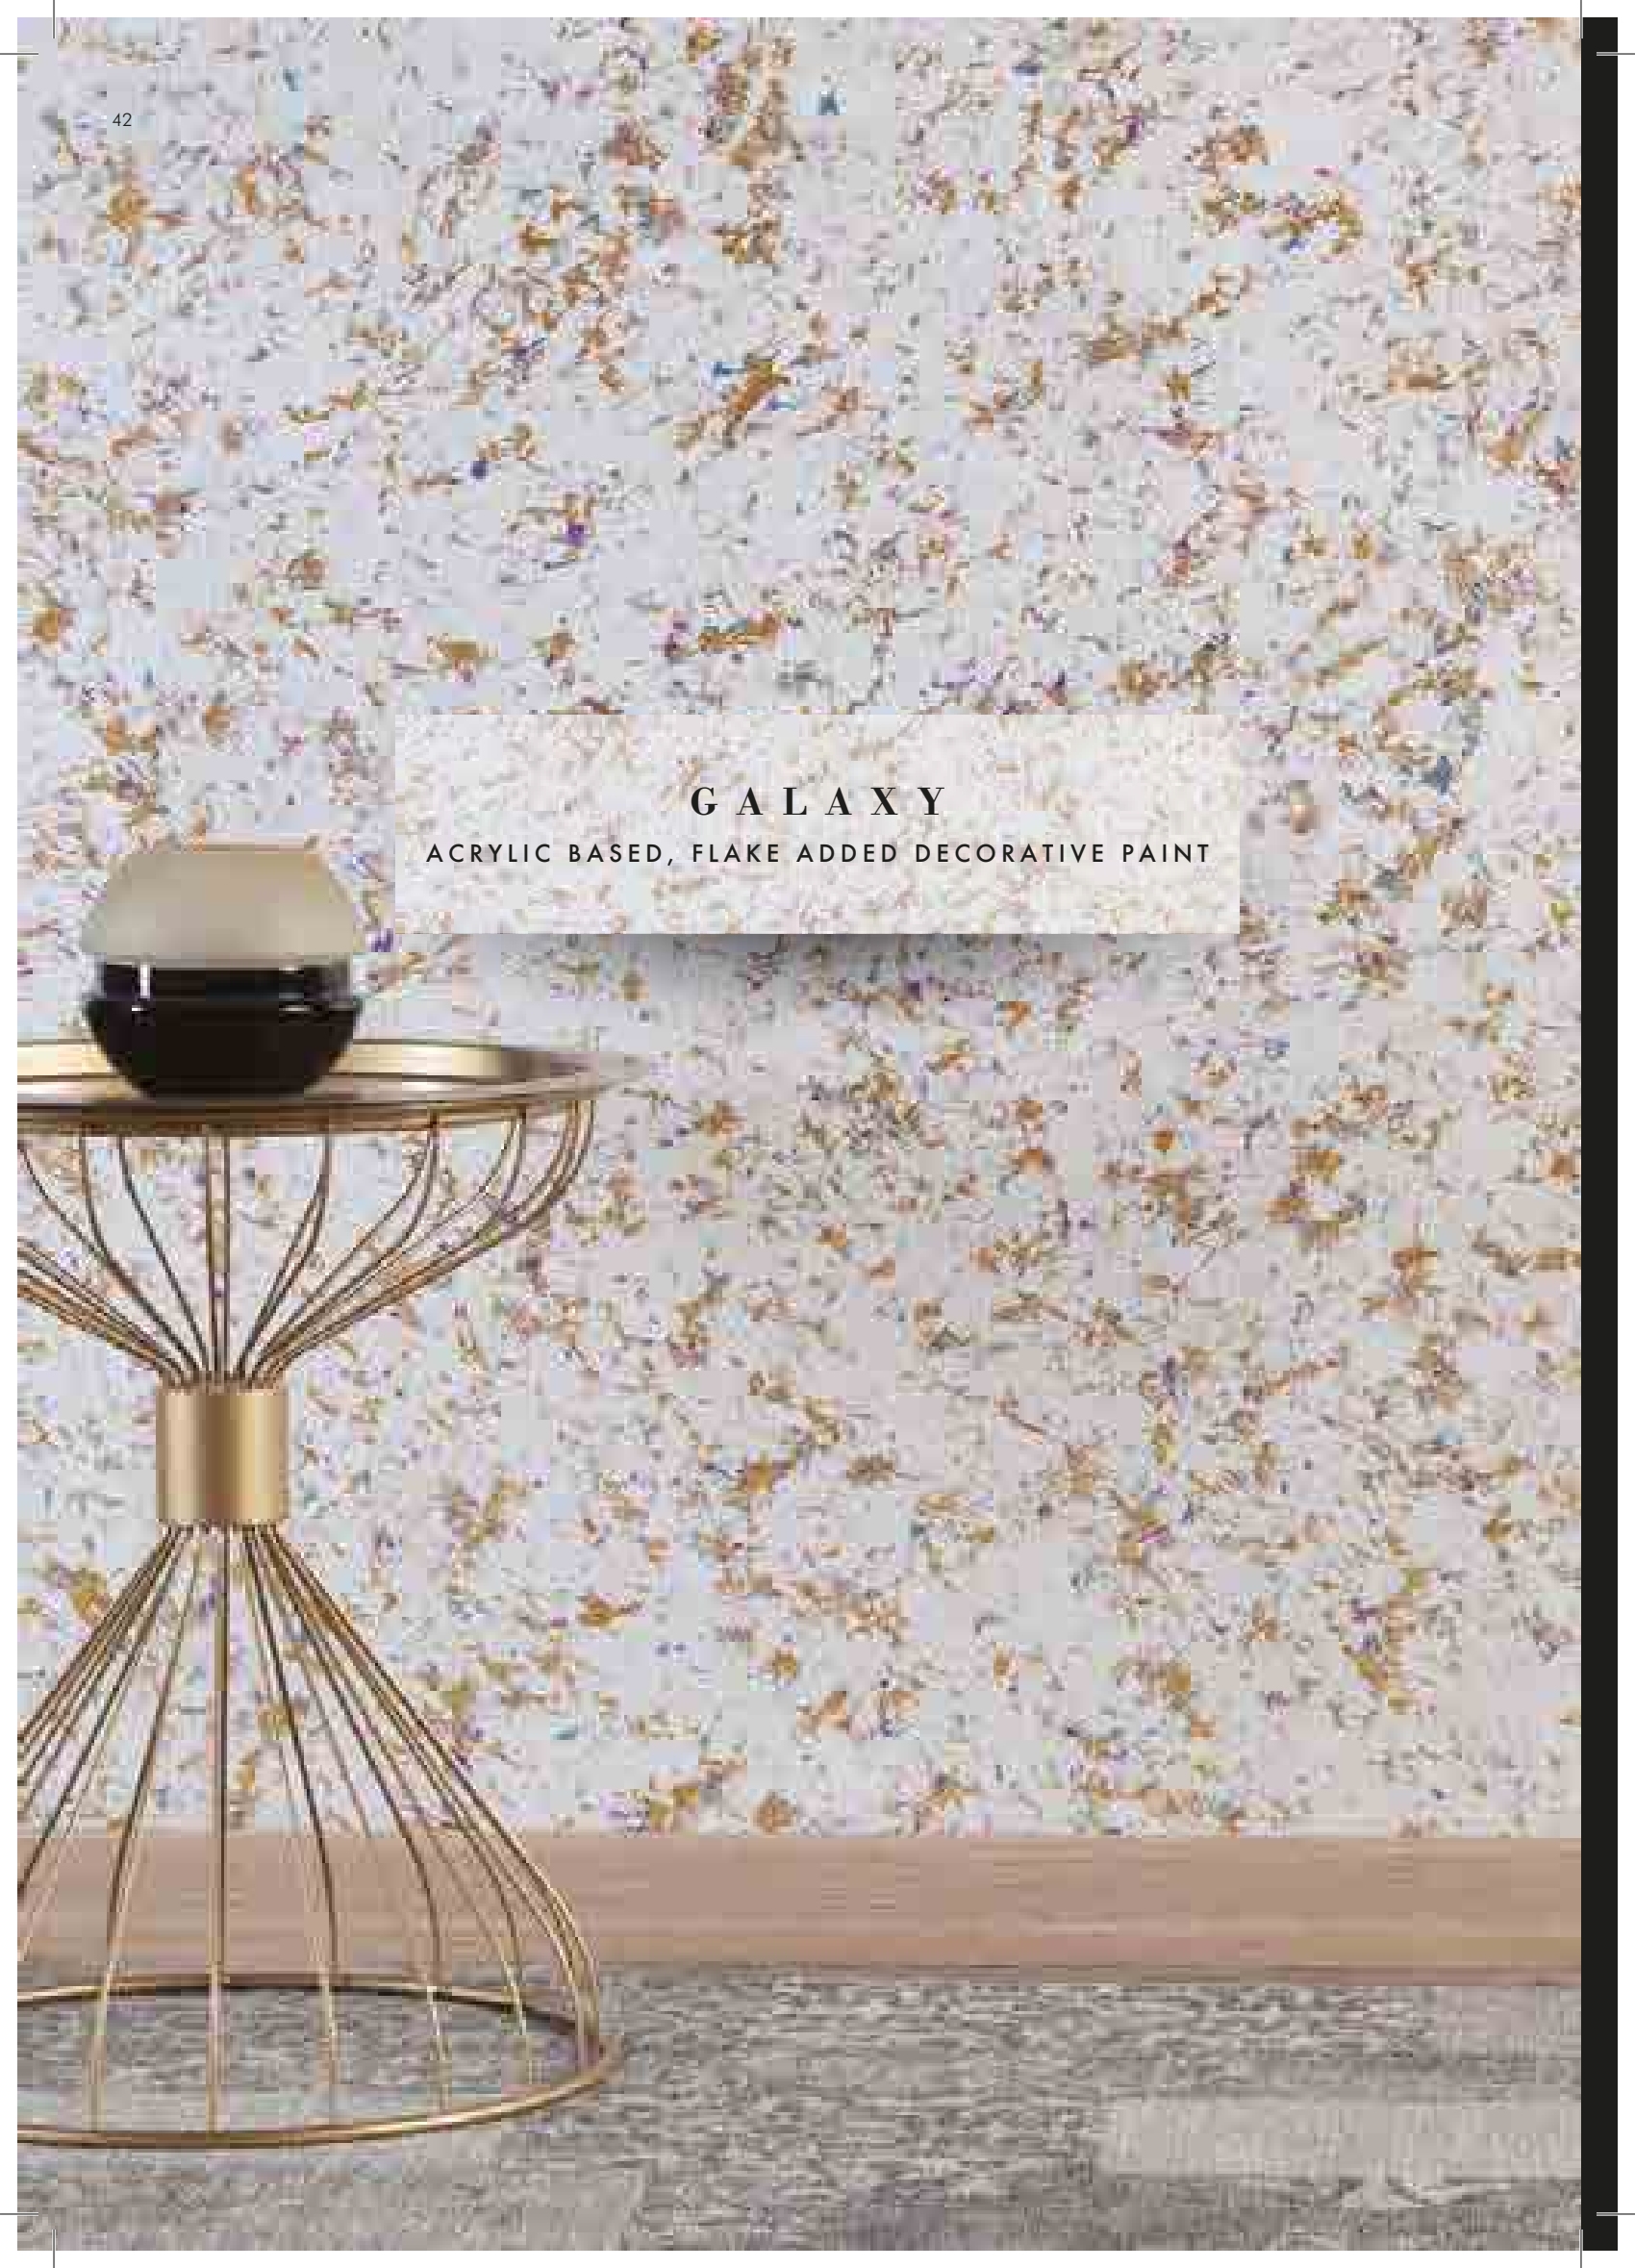

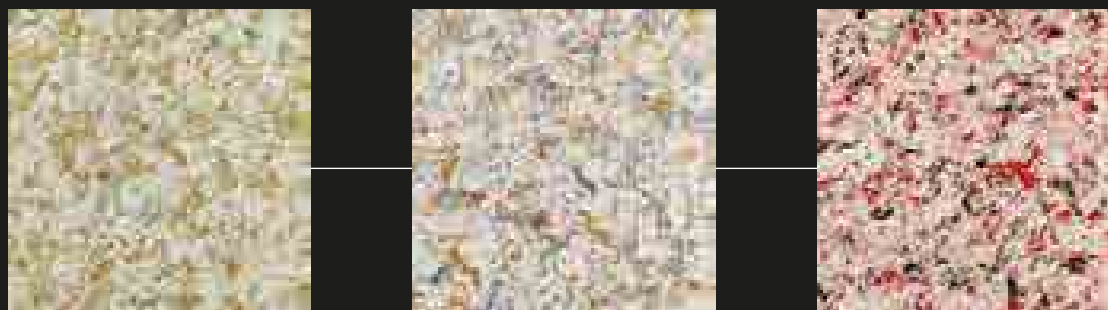

Capable of concealing uneven wall surfaces thanks to its grainy structure and bold shades, Cometa allows for creating the walls of your dreams with its easily applicable form.

GALAXY

ACRYLIC BASED, FLAKE ADDED DECORATIVE PAINT

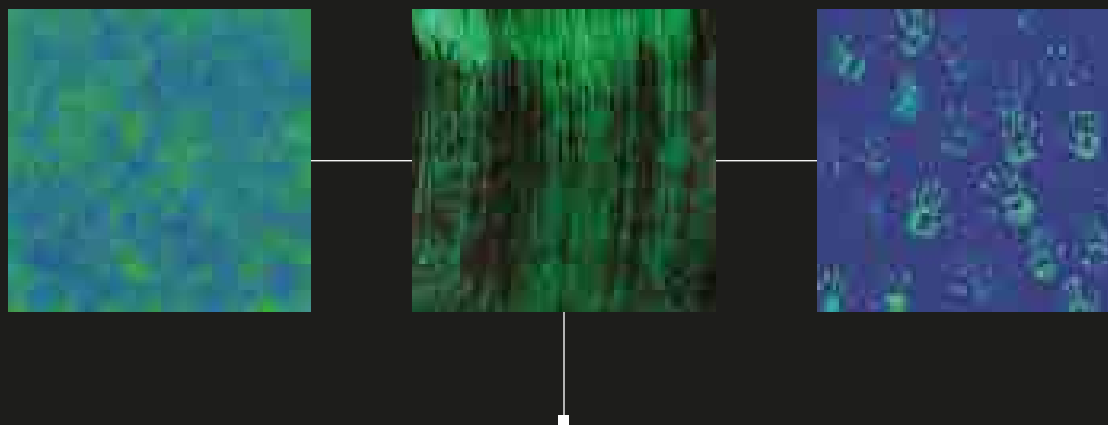

Galaxy will boost energy of your living quarters with the artsy touches you can achieve thanks to its flake content.

GALAXY FOSFOR
ACRYLIC EMULSION BASED READY-TO-USE
DECORATIVE PAINT WITH PHOSPHORUS FLAKE

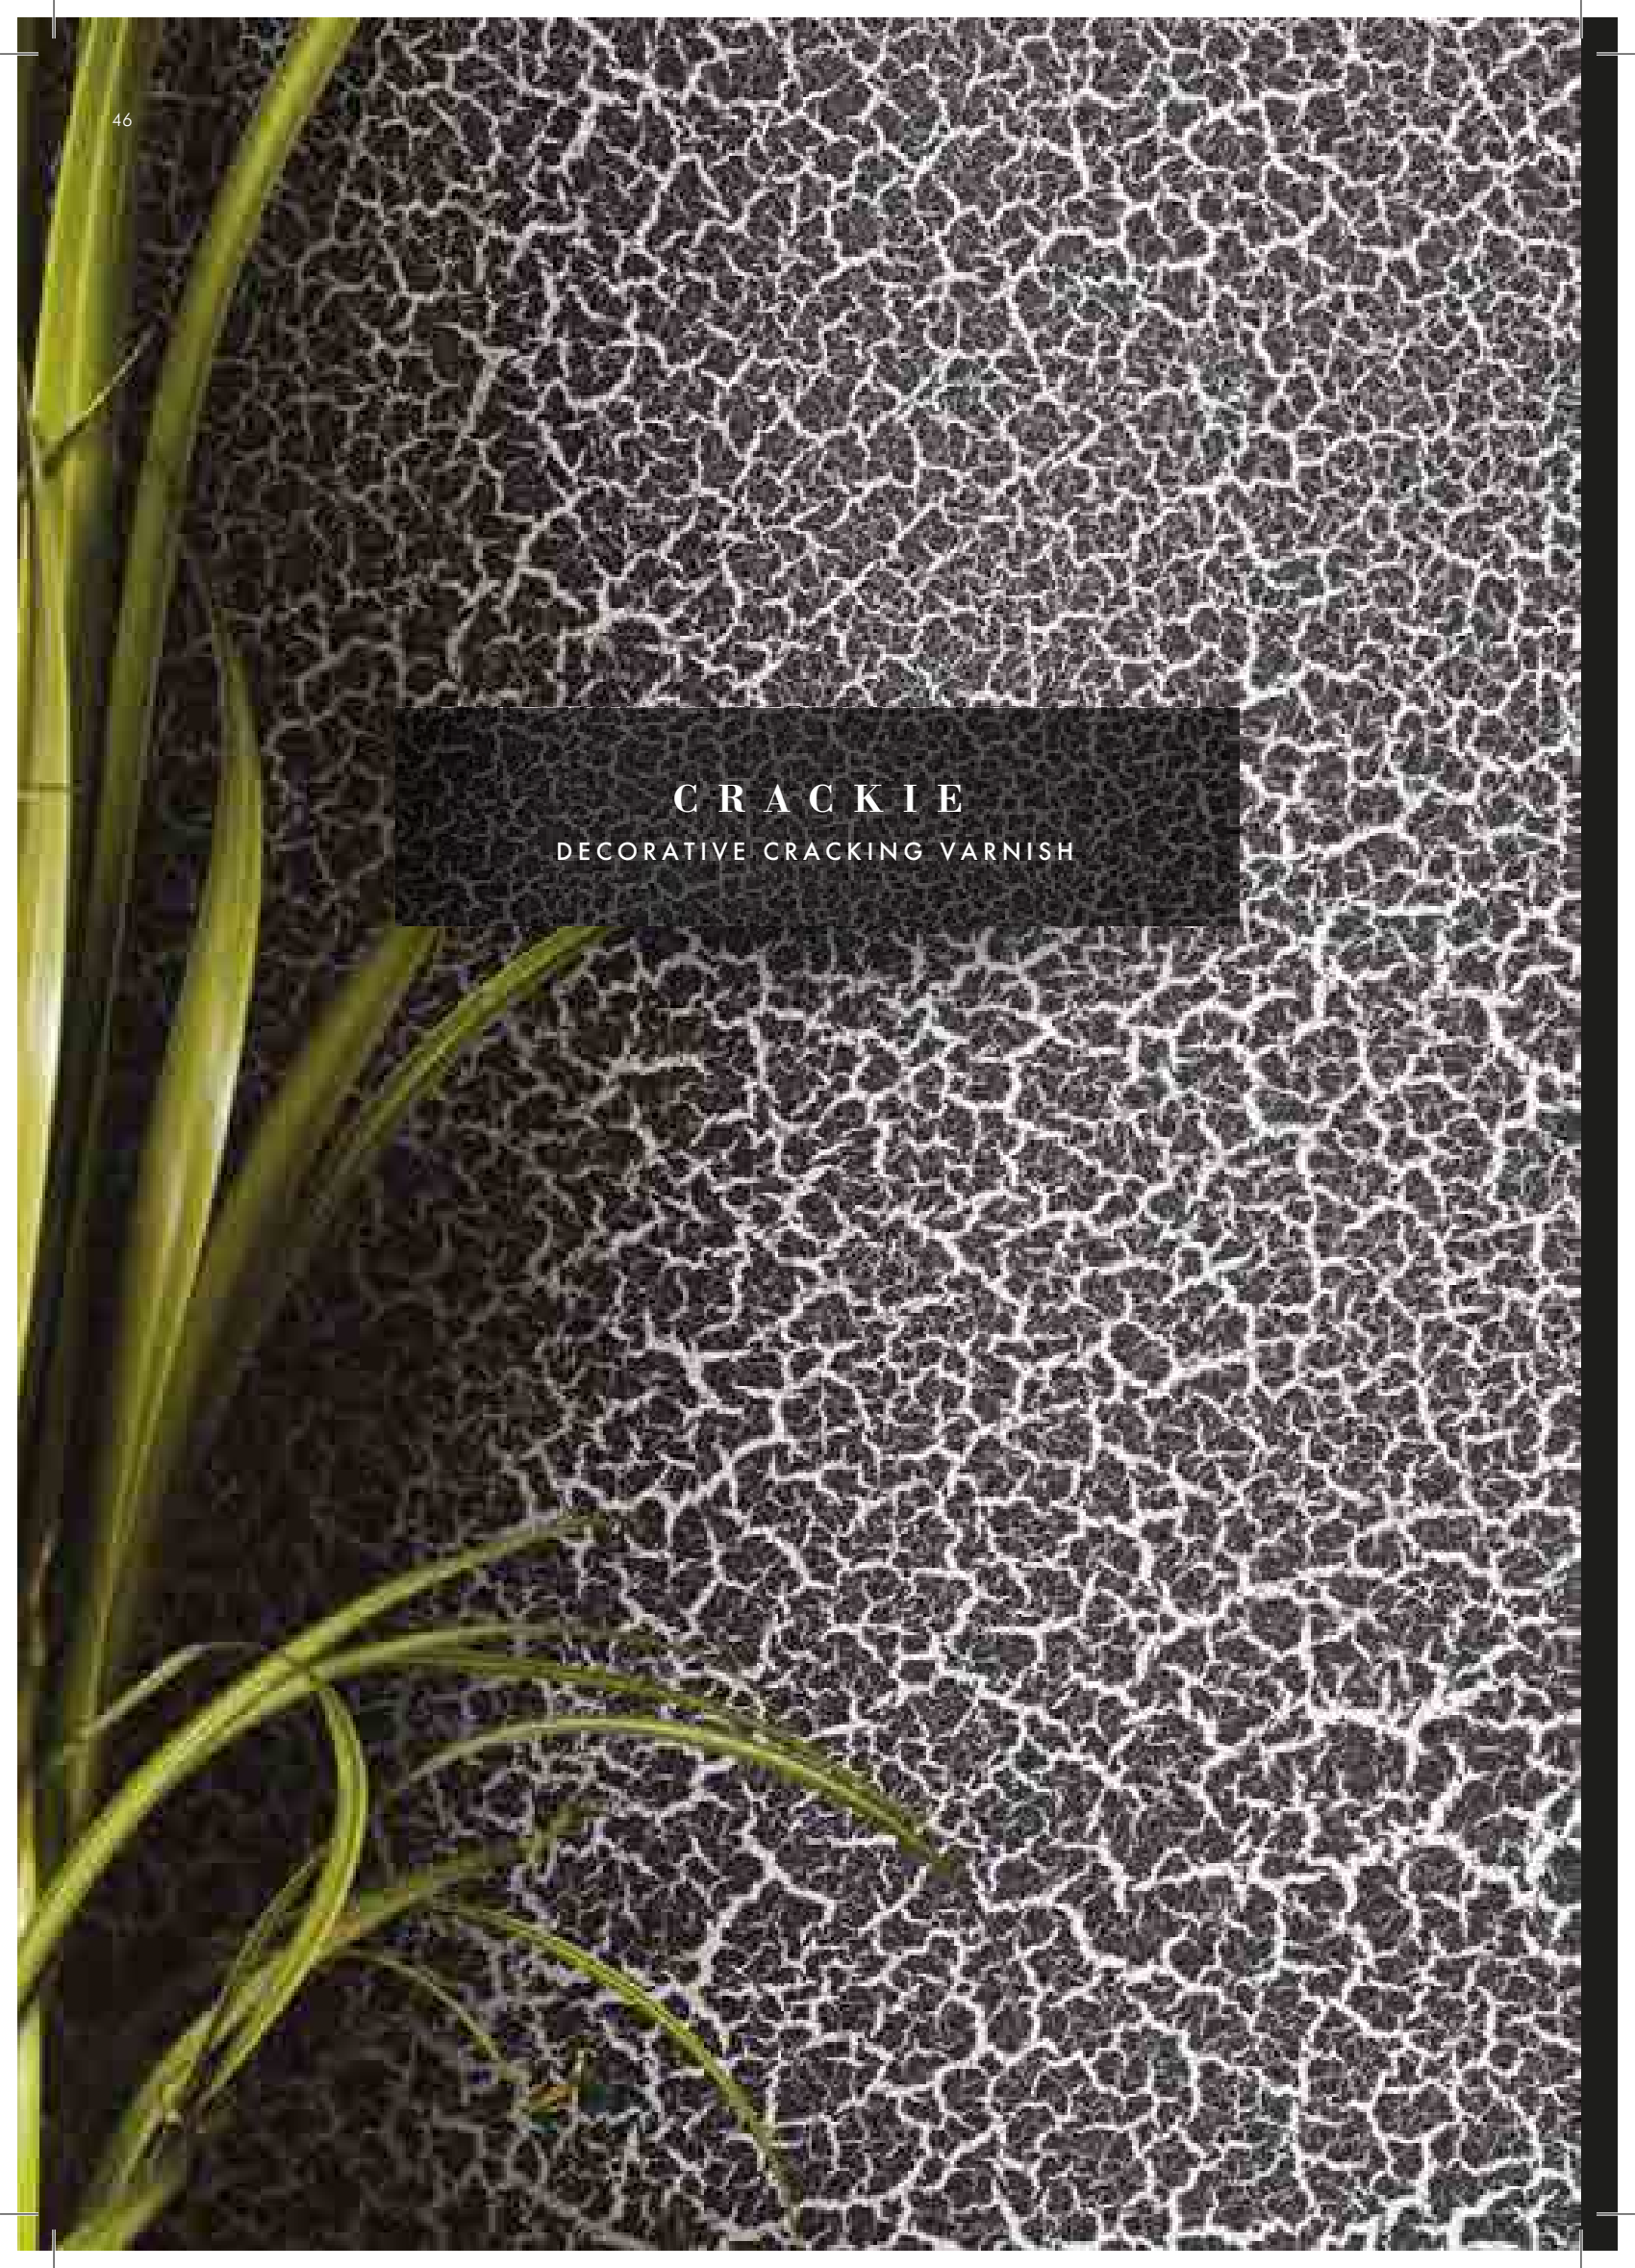

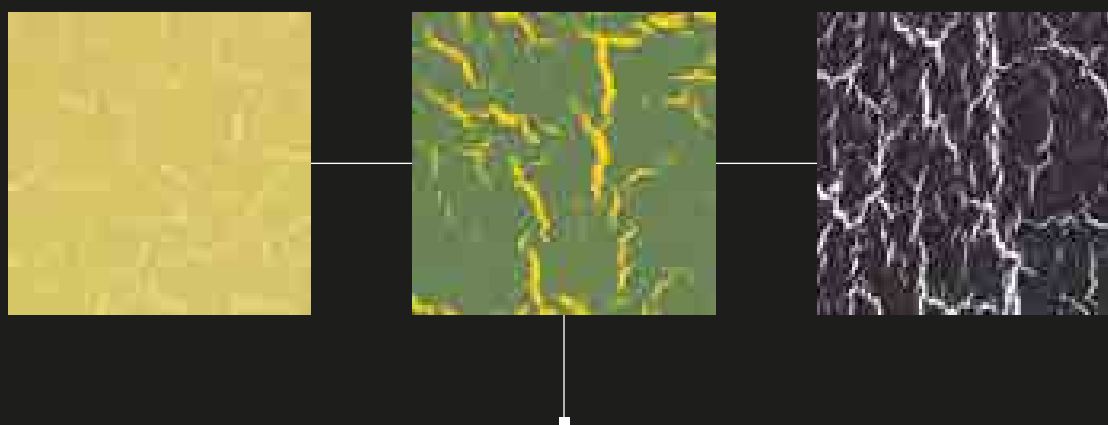

Galaxy Fosfor creates impressive and eye-catching forms on your walls by revealing the energy stored from various sources in the dark thanks to its phosphorus content.

C R A C K I E
DECORATIVE CRACKING VARNISH

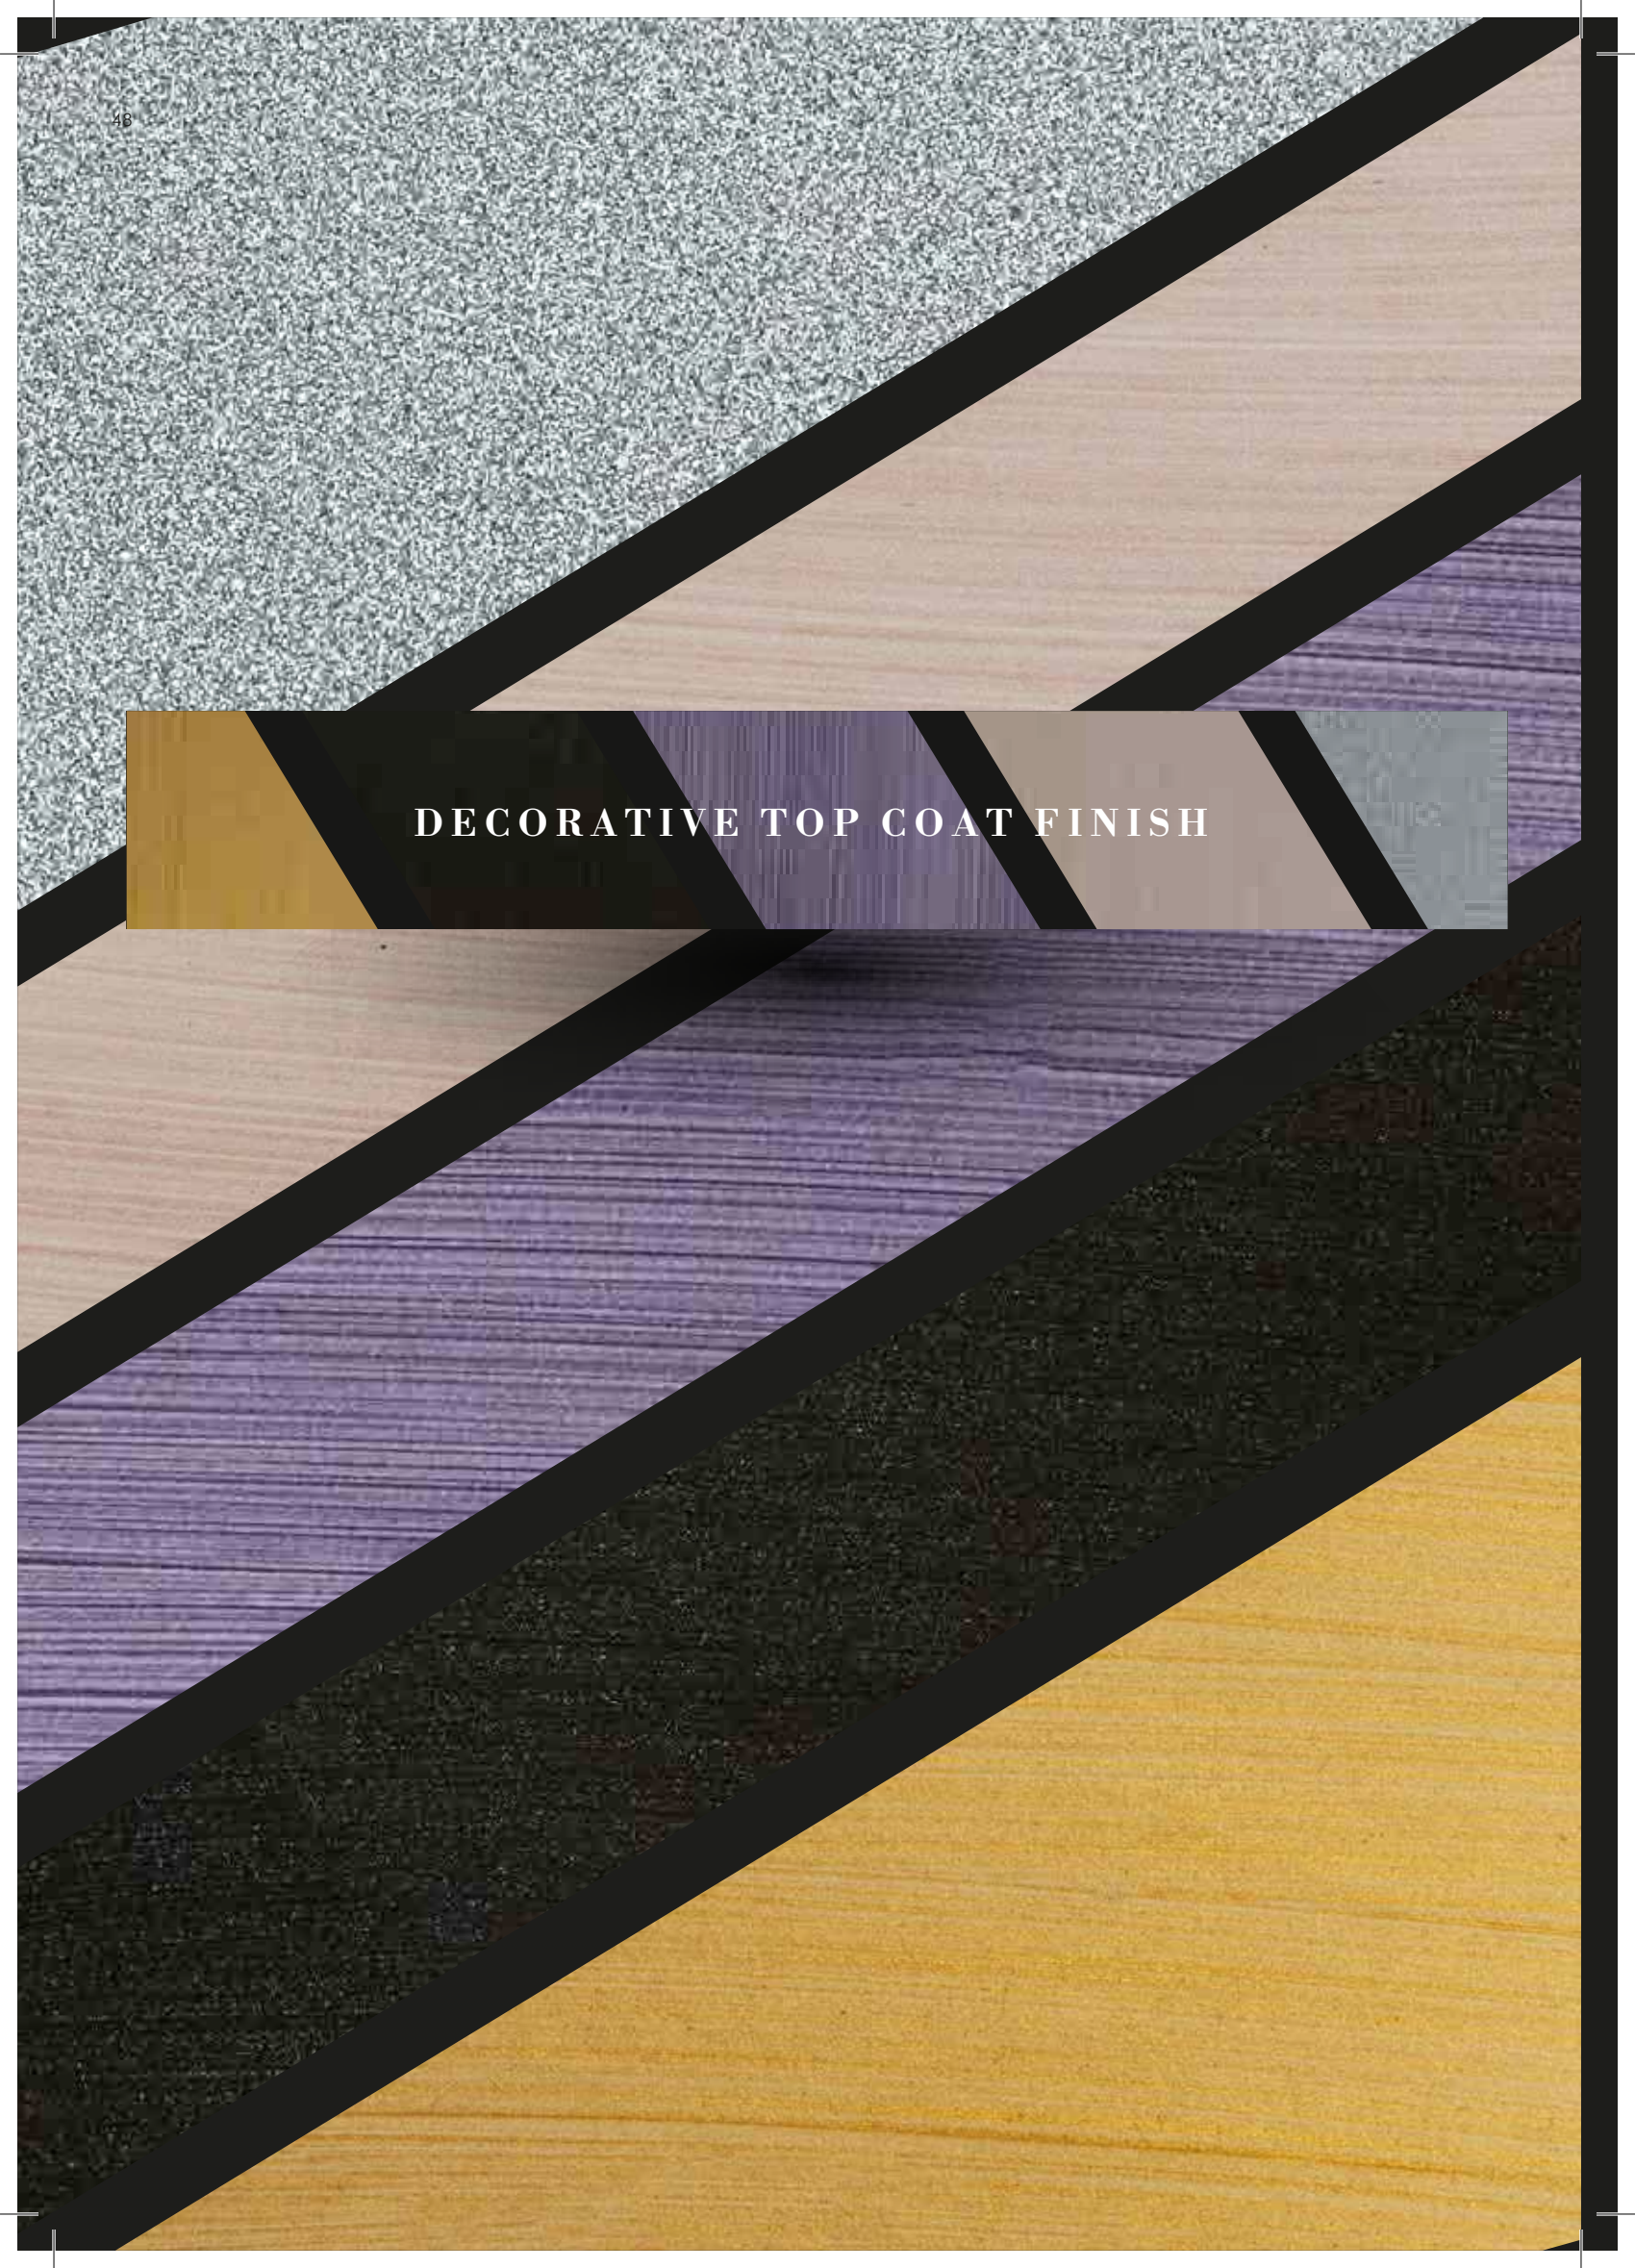

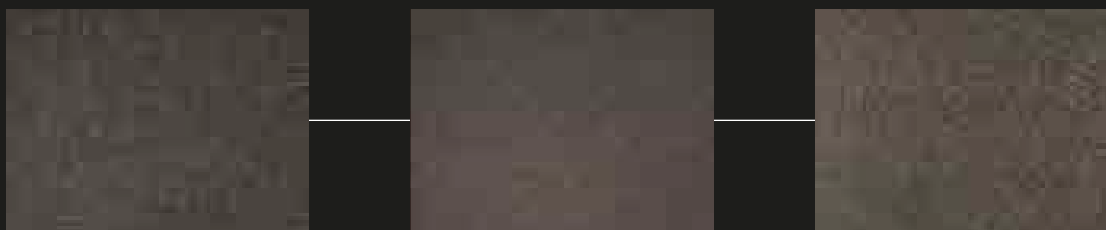

Adding a cracking effect to the surfaces applied, Crackie allows for creating antique looking spaces with its excellent texture.

DECORATIVE TOP COAT FINISH

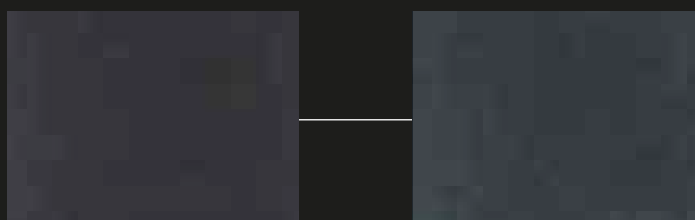

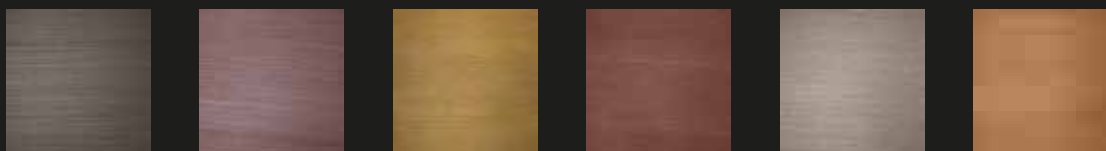

Glitter Decorative Finish

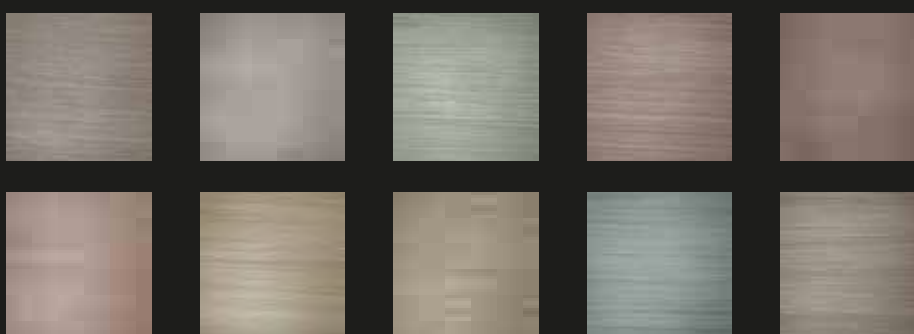

Arona

Decopia

Pearlescent Decorative Finish (Metallic)

Pearlescent Decorative Finish

Consisting of Pearlescent Decorative Finish, Glitter Decorative Finish, Arona and Decopia products, Decorative Top Coat Finish collection allows for unique finishing touches on top of effect product applications.

Glitter Decorative Finish: Top coat decorative product with glitter.

Arona: Top coat decorative product with pearl.

Decopia: Top coat decorative product with prismatic pearl.

Pearlescent Decorative Finish: Metallic top coat decorative product with pearl.

SANDECOSHIELD
INTERIOR-EXTERIOR, WET AREA TRANSPARENT PROTECTIVE COATING

Sandecoshield (gloss/matte) protective coating is a water based transparent topcoat product, and thanks to its special contents, it adds low dirt retention and high water repellent properties to the applied interior and exterior surfaces.

W A X
WATER BASED WAX EMULSION BASED FINISHING POLISH

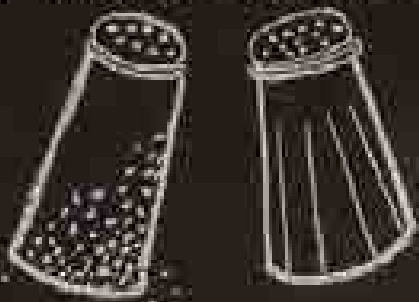

Apply on top of Decostucco for glossy marble appearance.
As a water based product, it's not harmful to human health or environment.

DECOPRIMER
INTERIOR EFFECT PAINT PRIMER

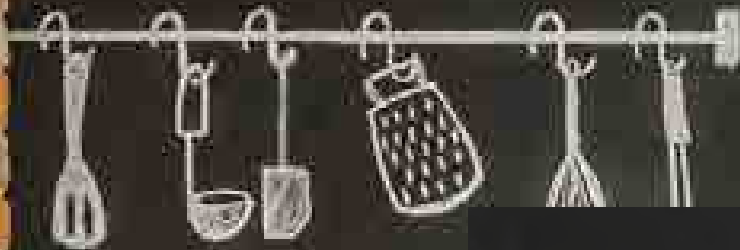

Decoprimer is an acrylic emulsion based special primer formulated to improve surface adhesion of decorative products.

WRITEWALL
WHITE BOARD PAINT

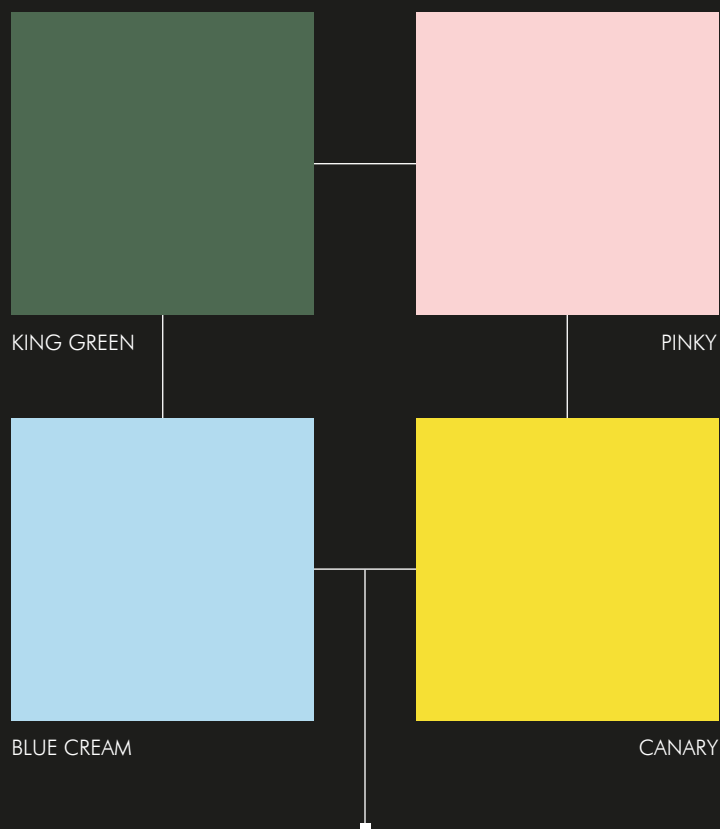

Think of a paint... Your walls, desks, doors, cabinets, and meeting rooms turn into a white board when you apply the paint.

CHALKBOARD
BLACKBOARD PAINT

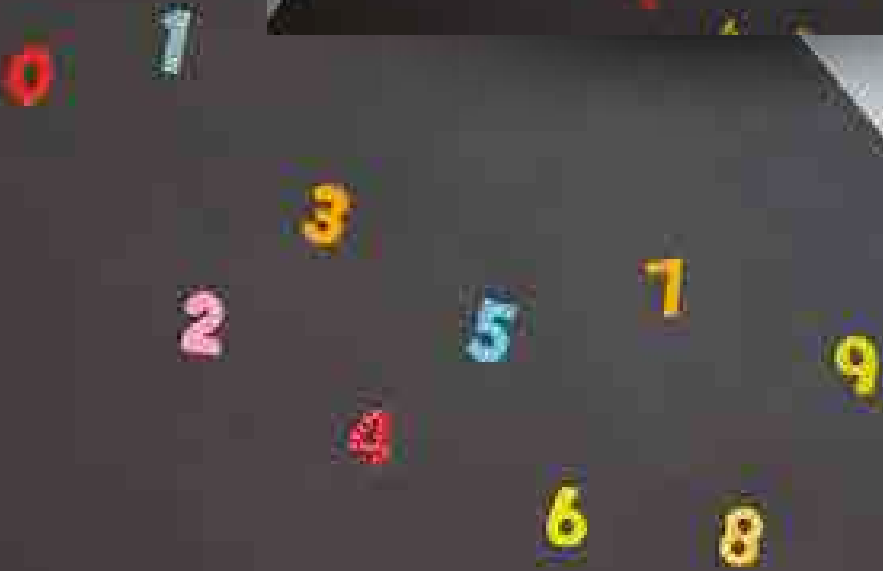

Sandeco Chalkboard paint is an odor-free water based product used in decorative and artistic works. When applied, the application surface allows for working with chalks.

You can achieve two functions on your walls simultaneously by applying Chalkboard on top of Sandeco Magnetic.

MAGNETIC
MAGNETIC INTERIOR PAINT

It's easy and fun to turn your walls into a magnetic board with Sandeco Magnetic.

PROJECTOR
PROJECTOR PAINT

San Deco Projector acts as a projection screen on the application surfaces.
