COUNTY STONE LTD
The Sussex Collection

High quality natural stone fireplaces - Hand crafted in the heart of West Sussex

WELCOME

Bespoke design, versatility and choice give our fireplace range a unique place in the market. From traditional to contemporary influences, design detail is paramount.

We understand a fireplace should be both a focal point and personal style statement which is why I am thrilled to introduce the Sussex Collection. With an abundance of high quality natural material, colours and finishes to choose from we have developed designs that suit all tastes. Every surround we create is suitable for use with gas and electric fires, traditional open fires and wood burning stoves.

This brochure has been thoughtfully composed to inspire you, but if you have your own design ideas, we will work closely with your retailer to create unique tailor made surrounds sized to fit any room and suit any building style.

From concept to finished product, we are here to interpret your dream.

Jane Gibson, *Director, County Stone Ltd.*
