Why use Kerrock Recycled?

Kerrock Recycled represents our commitment to sustainability—giving new life to leftover materials without compromising on quality, durability, or beauty.

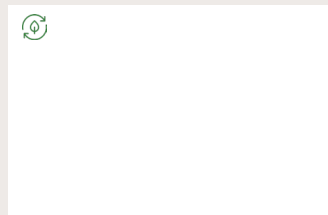

- 100% acrylic base.
- Safe for Food Contact.
- 100% Recyclable.
- Long service life of Kerrock material.
- Reuse of larger components.
- Locally sourced raw materials.
- Adhesives free from volatile organic compound (VOC) emissions.
- Tested (RISE, Report No. 2F000828).
- Compliant with the REACH directive.
- Free from phthalates, heavy metals, chromium (VI), and carcinogenic substances.
- Self-extinguishing and free from toxic gases (EXOVA certified).
- Manufacture of sheets exclusively in the EU.

Circular **recycling** process

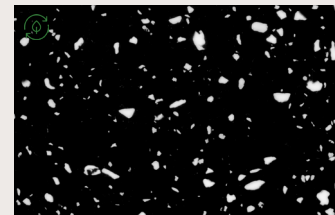

Kerrock Colours with **Recycled Content**

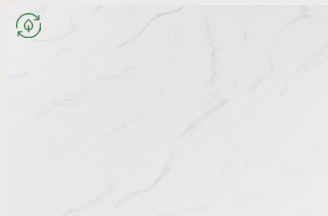

Recycled Content is defined in accordance with **ISO 14021**.
