

**MADE IN
BRITAIN**

Handcrafted in Britain

Restoration and New Build Specialists.

DARWEN
TERRACOTTA

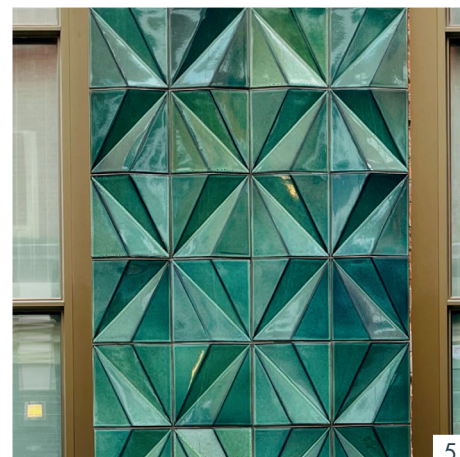

From imagination to reality, our terracotta and faience offer exceptional creative freedom in form, scale and colour. Combining traditional craftsmanship with modern kiln-firing and the latest digital technology, we create durable, sustainable, expressive surfaces—from matt to high gloss, subtle to complex—bringing architectural visions to life.

- Made in Britain
- Craftsmanship since the late 1800s
- EPD Certified
