

## FURNISHING FUTURES

**SURFACE  
DESIGN  
SHOW**

BUSINESS DESIGN CENTRE  
LONDON 4-6 FEB 2025  
[surfacedesignshow.com](http://surfacedesignshow.com)

Surface Design Show is proud to partner with Furnishing Futures to collect and distribute furniture donations from exhibitors.

Furnishing Futures creates fully furnished, trauma-informed healing homes for women and children who have escaped domestic abuse and been placed in empty social housing, often without any flooring. They partner with the interiors industry by taking good quality items that would otherwise end up in landfill. These can be ex-display, returns, props or end-of-line furnishings. A sustainable solution to two unsustainable problems.

This year, we are happy to have them join us at [Surface Design Show](#).

### WHAT CAN YOU DONATE?

Furnishing Futures takes furniture that is in **excellent or 'as new' condition**.

Giving;

- **Children beds** ensures that they get a good night's sleep and can learn in school the next day
- **Sofas and chairs** create a space to relax and giving tables and chairs gives families the opportunity eat together and a space for children to do their homework
- **Artwork, lamps, cushions, and rugs** are the finishing touches that help to make a house a healing home and help us show marginalised families that they are valued and cared for

Please note that conditions apply, for more information please visit [Furnishing Futures](#)

### HOW CAN YOU DONATE AT SURFACE DESIGN SHOW?

- Please [contact Furnishing Futures](#) before or during the show to give details of the furniture you would like to donate. They are a small charity with limited space and need to be sure they are able to use the donations before taking them.
