TEMPORARY STRUCTURES

WH Silverbacks

With over 20 years' experience in the temporary structure world, WH Silverbacks are specialists in offering versatile solutions for any event, in any location

We have the pleasure of continuing our partnerships with current clients while also welcoming new ones. We are often presented with unique creative briefs, and successfully provide tailored solutions to meet each clients specific needs.

Creating solutions is our speciality, if we don't have it, we will source it and build it for you.
Offering a one stop structure shop.
