## Visiting Campus

We are located at 20 N. Wacker Dr., Suite 1200. We encourage prospective students to visit our campus before submitting an application. A preadmission information session is offered weekdays (excluding national holidays), and is followed by an optional campus tour. In addition, preadmission information sessions and campus tours are available on selected Saturdays throughout the year.

Please contact us at [info@eCGmn.com](mailto:info@eCGmn.com) or 312.804.0772 to learn more about us.

## Registration and Enrollment

- ⇒ We have open enrollment and registration throughout the year.
- ⇒ In order to register for our programs you must:
  - Meet the requirements (see section requirements),
  - Submit your request for registration, including your CV, credentials and proof of funding to [info@eCGmn.com](mailto:info@eCGmn.com) and/or in person.
  - Our review process takes 1 - 5 business days. If you accepted in our program, we will send you a confirmation email, with the schedule.

Note: We accept transfer students from other accredited schools. Existing students are welcome to transfer previous academic work to our school, as long as it is related to their program/field of study and covers the same subject as our school program/courses.

### Requirements

To enroll at any of our programs, you must have:

- Minimum Associate Degree or equivalent, GPA 3.0 or above, from an accredited institution.
- 1+ years of work experience related to the field of management, preferable IT, Healthcare, Engineering, Marketing, Finance, Renewable Energy, or other industries.
- Good statistical, analytical, and math skills.
- Fluent in English (business reading and writing). Applicants who do not meet this requirement may provide sufficient evidence of competence in English by achieving a minimum TOEFL iBT score 80, with sub-scores of Reading 19, Listening 17, Speaking 20, and Writing 21 on the TOEFL iBT **OR** a minimum IELTS score of 6.5, with subsection minimums as follows: listening 6, writing 6, reading 6, speaking 6.
- Pre-approved funding. eConsulting Group, Inc. does not provide student loans.

## Class Schedule

Classes run Monday through Friday, 9:00 AM - 5:00 PM. Evening sessions run from 6:00 PM - 10:00 PM. Saturday and Sunday classes are 9:00 AM – 5:00 PM.

The text material is included into the tuition and will be provided to the students before start of the program.

## Attending the Program

In order to receive a degree students must obtain the score above 60%. The score is obtained through:

- Regular class attendance. Students are advised NOT to miss more than 10% of their class attendance.
- Class exercise (30% of their grade),
- Homework (30% of their grade),
- Final project (60% of their grade). Final project due date is the ten (10) days after completion of the course.
- Students who fail to obtain passing score will be asked to repeat the courses. Students have one (1) year from the registration date to successfully complete all courses. Those who succeed will receive the transcript and credential. Unsuccessful students will receive transcript with status “incomplete”.
- Within one (1) year from the registration date, students could retake the same course, any time the course is offered and if there is an available sit. New students have priority over the retake students.
- In order to obtain credit for a course a student must attend at least 85% of the contact hours for a particular course. However, instructors are given the option of allowing a student to complete the course based on the student’s documented circumstances and his or her progress in the course. An instructor may withdraw any student from the course if the student misses more than 15% of the scheduled class sessions and activities. Students must be enrolled before they can attend class.

## 2016 - 2017 Academic Calendar

### FALL TERM

Registration Open  
Classes Begin Monday, August 29th  
Drop/Add Date Friday, September 2  
Classes End Friday, October 7  
Graduation Date Sunday, October 23  
Length In Weeks 6 weeks

### WINTER TERM

Registration Open  
Classes Begin Monday, January 16  
Drop/Add Date Friday, January 20  
Classes End Friday, February 24  
Graduation Date Sunday, February 26  
Length in Weeks 6 weeks

### SPRING TERM

Registration Open  
Classes Begin Monday, February 27  
Drop/Add Date Friday, March 3  
Classes End Friday, May 6  
Graduation Date Sunday, May 5  
Length in Weeks 6 weeks

### SUMMER TERM

Registration Open  
Classes Begin Monday, June 19  
Drop/Add Date Friday, June 23  
Classes End Friday, July 28  
Graduation Date Sunday, July 30t  
Length in Weeks 6 weeks

## Cancellation and Refund Policy

eConsulting Group, Inc. allows students to cancel course one (1) day before the start of the program or during the first two (2) sessions or two (2) weeks, whichever comes first, of the program.

Canceling the class before start of the program:

Students can cancel the class the night before the start of the class. eConsulting Group, Inc. will reimburse any funds received from the student for the program, except the registration fee and the fee for the text material and equipment, if any given. Student must bring the original voucher, a copy of our refund policy (this document), and our invoice.

eConsulting Group, Inc. representative reviews the documents and informs all stakeholders about the student decision. Student will be issued the release document. Refund will be issued within fifteen (15) business days. Student will be allowed to keep the course material and equipment, if any given.

Canceling the class after start of the program:

Students can cancel the class during the first two (2) sessions or two (2) weeks, whichever comes first, of the program. Fifty (50%) percent cancellation fee of the total invoice will be applied. This amount includes the registration fee, the text material, and equipment cost, if any given. Student brings the voucher, attendance records to date signed, a copy of our refund policy (this document), and our invoice.

eConsulting Group, Inc. representative reviews the documents and informs all stakeholders about the student decision. Student will be issued the release document. Refund will be issued within fifteen (15) business days. Student will be allowed to keep the course material and equipment, if any given.

Canceling the class after the first two (2) sessions or two (2) weeks, whichever comes first:

There is no refund if student decided to cancel the class after the first two (2) sessions or two (2) weeks, whichever comes first.

For additional information please contact eConsulting Group, Inc. at 312.804.9992.

<b>Cancellation Period</b>	<b>Cancellation Fee</b>
Before the start of the program.	Registration Fee + Text Material and Equipment.
Two weeks or two sessions within the program.	50% of the total invoice amount.
After two weeks or two sessions within the program.	100% of the total invoice amount.

## Agile Expert® | \$1,849.00 | 3 Days

The Agile Expert™ training from eConsulting-Group™ is based on real-world, hands-on experience of what works (and doesn't work) in applying Agile practices to achieve these gains. Many of these practices and the underlying principles belong to the class called Lean Software Development (which is nearly synonymous with Agile Software Development), which has roots in Lean Production. Lean-Six Sigma is another trend. These connections suggests that the Agile principles and practices are applicable beyond software development to other types of projects and to general management. “

### Prospective Audience

Office managers, project managers, product managers, scrum masters, agile mentors, agile coaches, functional managers, team leads, team members, engineers, etc..

### Prerequisites

⇒ Associate degree, or global equivalent, plus 1-3 years of information and management systems experience.

### Course Outline

- ⇒ Scrum
- ⇒ Agile
- ⇒ Lean Management
- ⇒ Agile Communication

## Agile Expert™ | \$2,549 | 5 Days

The mindful use of Agile software development practices, for both project management (e.g., Scrum) and technical work (e.g., XP), empower teams to produce superior results in terms of software quality and team productivity, compared to non-Agile methods. Improvements on the order of 2x-4x or more can be achieved. This translates into cost savings as well as improved customer satisfaction. Also, teams and individuals enjoy and prefer the Agile work environment over non-Agile, once they learn and adapt to it. The Agile Expert™ training from eConsulting-Group™ is based on real-world, hands-on experience of what works (and doesn't work) in applying Agile practices to achieve these gains. Many of these practices and the underlying principles belong to the class called Lean Software Development (which is nearly synonymous with Agile Software Development), which has roots in Lean Production. Lean-Six Sigma is another trend. These connections suggests that the Agile principles and practices are applicable beyond software development to other types of projects and to general management.
